**OLE MISS 1966**

The purpose of a University is not only to produce scholars of the highest rank, but to encourage the self-discovery and development of personal values and to help each individual to recognize human dignity in his fellow students.

Life at Ole Miss is a kaleidoscope of sights and sounds, people, places, and events that create a vast experience in knowledge, in culture, and in life. It is hoped that each student may emerge from his college experience with a balanced development of body, mind, and character which shall fit him for life in the world today.

This book is a record of those experiences in learning and living provided for the Ole Miss student during the past year. The events recorded herein are pieces of clay from which each student will mold his own role in the future.

FEATURES

The Features Section of the OLE MISS presents those girls who exemplify the beauty and personality of the Ole Miss coed and honors those who have won outstanding recognition for themselves and their school.

Mr. Robert Alexander of Grenada has been the Official Photographer of the Ole Miss beauties for a number of years. This year he has photographed not only the beauties, but almost the entire Features Section, in color.

Primos Northgate Restaurants in Jackson was the setting for many of these photographs. Other pictures were taken at Paul's Northside Restaurant at the Sheraton Motor Hotel, at Shakey's Pizza Parlor, and at the Mississippi Memorial Stadium in Jackson; at Jeff Busby Park on the Natchez Trace; and at Grenada Lake and the homes of Mr. and Mrs. E. H. White, Mr. and Mrs. J. L. Townes, and Mr. and Mrs. John Lake in Grenada.

After an afternoon and evening of competition with seventeen others, these girls were selected Ole Miss' Top Five Beauties.

## Parade of Beauties and Favorites

Beauty contestant Diane Cox is presented to the audience and the judges, as the backstage crew watches from the wings.

The Parade of Beauties and Favorites, held each November in Fulton Chapel and sponsored by the OLE MISS Yearbook, is an annual event at which the most popular and most beautiful girls at Ole Miss are chosen.

Ole Miss coeds representing both women's residential halls and sororities participate in the event. On the evening of the Parade, ten favorites are selected by the audience, and a panel of judges name ten beauties.

Sets, music, and entertainment for the Parade of 1966 were coordinated to carry out the theme of the Broadway and movie hit, *THE SOUND OF MUSIC*.

Kenny Milam was emcee for the 1966 Parade; entertainment was provided by Lila Smith, Patsy Puckett, Pete Doles, Martin Paschal, and Kathy Johnson.

A panel of five distinguished judges selected five Top Beauties and five Alternate Beauties from twenty-three coeds participating in the 1966 Parade of Beauties.

Judges for the Parade were Mrs. Charles Conerly, Mrs. Fred Jones, Mr. Ford Boyd, Mr. Harold Crump, and Mr. Norman Shaw. The judges met and reviewed the candidates at a luncheon, individual interviews, and as they were formally presented at the Parade of Beauties.

The Top Five Beauties were ranked by the judges and are presented in ranking order on the following five pages.

Ole Miss' Number One Beauty for 1966 is Miss Judy Carolyn Cobb, a Junior in the College of Liberal Arts, from Memphis, Tennessee. Miss Cobb, first runner-up in the 1964 Miss University Pageant, reigned as the 1965 Miss Memphis. She is a member of Kappa Delta Sorority.

ACTIVITIES

With the encouragement of the University's Administration, a comprehensive program of student activities exists at Ole Miss. A student government organization, the Associated Student Body, as well as the student publications and radio station, provide many opportunities for students to participate and contribute to student life and the University as a whole. Religious, political, and cultural organizations; professional and departmental honor societies; and social fraternities and sororities exist to meet the needs and interests of all students.

## **STUDENT GOVERNMENT**

# Associated Student Body

The Associated Student Body governs Ole Miss students through a three-branched system following a pattern set forth in the ASB Constitution, which was adopted in 1960. The constitution is supplemented by the ASB Code, which contains specific regulations governing the conduct of such vital campus affairs as elections.

The Executive Division of the Associated Student Body is the President's Cabinet, composed of the four officers, president, vice-president, secretary, and treasurer, elected in the spring in campus-wide elections, plus individuals appointed by the president to head the various departments of student government: Attorney General, Student Activities, School Spirit, Social Affairs, Academic Affairs, Women's Affairs, University Development, and Publicity.

## DEPARTMENT OF SOCIAL AFFAIRS

John Metz, Paul Aron, Tommy Ford, Bo Price, Dianne Naff, Gid Montjoy. **Not Pictured:** Mary Louise Payne, Mel Duke, Gina McIntyre, Bonita Butterfield, Paul Johnson, Art Clark, Gil Martin.

The Department of Social Affairs is responsible for planning and carrying out all social events of the student government. Besides staging dances such as the Welcome Rebel Party, the department also books concert artists. Artists who performed this year included The Highwaymen and The Righteous Brothers.

## Department of Student Activities

### HOMECOMING COMMITTEE

Robert Montjoy, Ann Craft, Robert Seibels, Sally Holloman, Jane Lambdin, Jeff Sauls.

As many new students arrive on campus each year for the beginning of the school year, they are welcomed and made to feel at home by the members of the Student Activities Committee.

Homecoming activities, Dixie Week, and the Miss University Pageant are also delegated to the Department of Student Activities.

### STUDENT ACTIVITIES

**Seated:** Bena Lou Kendrick, Jane Lambdin, Robert Montjoy.  
**Standing:** Gary Sisco, Don Scott, Chairman.

## PUBLICITY

**Front Row:** Joe Garrison, Susan Gordon, Adele Peresich, Susie Gill.  
**Back Row:** Steve Bozeman, Robert Beasley, Richard Warriner, Harry Anderson, Lamar Black. **Not Pictured:** Johnny Bottom, Bob Graves, Freddy Hickman, Gerald White.

The Department of Publicity is responsible for publicity on and off campus for all ASB functions. Its facilities may be used by any chartered organization on campus.

The Department of University Development presented two forums this year. A University Forum was held early in December, and a University-Oxford Forum was held in mid March.

Married housing and more Oxford entertainment for students was also studied.

The Department of Academic Affairs completed a curriculum evaluation in the School of Business and Government, instituting the use of IBM cards. Student opinion of the academic atmosphere was the subject of a questionnaire second semester.

## UNIVERSITY DEVELOPMENT

Paul Parish, Randy Pool, Chairman: Joe Ford, Ray M. Namara, Pat Griffin, Bill Garth.

## ACADEMIC AFFAIRS

**Seated:** Ben Weathersby, Director of Academic Affairs. **Standing:** Jimmy Love, Bobby Parker, Lloyd Kitchens, Stirling B. Williams. **Not Pictured:** Jane Magruder, Tommy Walman.

### SCHOOL SPIRIT

Buzzy Clayton, Patti Henry, Bena Lou Kendrick, Billy Gotshall, Chairman; Jackie White, Bennett Chotard. **Not Pictured:** Doug Cunningham, Carolyn Carrington.

The School Spirit Committee functions primarily during the football season and is in charge of creating genuine student spirit for every game. The group was responsible for all pep rallies and the Rebel flags and plastic footballs given out at games.

Created this year, the Campus Affairs Department is composed of an Independent Affairs Board which works with un-affiliated students and a Dormitory Council concerned with problems in Men's Housing areas.

### CAMPUS AFFAIRS

Dick Smith, Robert Donnell, Pat Paterson, Donnie Evans, David Boyd, Mike Malouf, Don McDonald, Eddie Harper, Jack Herring, Chairman; Katherine Milner, Janet Ford, Delores Thomas. **Not Pictured:** Bob Cole, Bill Hester, James Abbott, Dan Ashland.

#### JUDICIAL COUNCIL

Rayner Graeber, Ed Snyder, Cy Faneca, Paul Johnson, John Maxey.

## Judicial Council

The Law-interpreting branch of the ASB is the Student Judicial Council, whose members are appointed by the ASB President and serve until graduation. The Chairman is elected in a campus-wide election. The Council has authority to interpret all bills and resolutions of the Campus Senate and the ASB Constitution. It also has jurisdiction over all matters of discipline which may be assigned by the Dean of the Division of Student Personnel.

**Bo Roberts**  
CAMPUS SENATE PRESIDENT

## Campus Senate

The Legislative division of the student body consists of the Campus Senate, presided over by the ASB Vice-President with the ASB Secretary serving as clerk. The senators are elected from their residential districts in the fall, and they in turn elect a president pro-tempore. In addition, a chaplain, parliamentarian, and sergeant-at-arms are appointed to insure the smooth running of senate meetings. Charged with the responsibility of dealing the student affairs, the Campus Senate has grown into an outstanding feature of campus activities.

This year alone the Campus Senate has created a complete new elections system; passed a resolution supporting the United States policy in Viet Nam, which received nationwide news coverage and was entered into the Congressional Record; and enacted on much legislation concerning everyday student problems. The Campus Senate, working hand-in-hand with the University Administration, continues to strive for a better University of Mississippi.

Susan Thomas  
AWS PRESIDENT

## Associated Women Students

The AWS is a self-governing organization composed of every undergraduate woman student. An Executive Council of six popularly elected officers, a Judicial Council of two elected and four appointed members, and a President's Council composed of dormitory and sorority house presidents, head the whole organization.

This year the AWS has continued to improve the structure of its organization. In addition, the AWS has worked to implement an effective orientation program for Freshmen, and it has endeavored to create an awareness of the cultural advantages offered by the University.

### EXECUTIVE COUNCIL

**Seated:** Sandy Aust, AWS Secretary; Susan Thomas, AWS President. **Standing:** Elizabeth Carter, Judicial Council Secretary; Lassie Cooke, AWS Treasurer; Judi Adams, AWS Vice-President; Mary Ann Hancock, Judicial Council Chairman.

# Elections Commission

The Elections Commission is responsible for all campus elections. It is composed of twenty-five commissioners which are appointed by the ASB President and approved by the Campus Senate. They, under the leadership of Chairman MarJo Thornton, serve until graduation, resignation, or removal by the Senate.

The IBM System of voting used by the Commission assures faster, more accurate results in election voting tabulation.

The elections held during the year are the Campus Senate, Homecoming Queen, Miss Ole Miss—Colonel Rebel, ASB officers, publications' editors, Cheerleaders, and any other elections that pertain to student government.

### FRESHMAN CHEERLEADERS

**Kneeling:** Beth Davis, Judy Permenter, Carolyn Bruno, Janet Hoover. **Standing:** Richard Warriner, John French, Joe Ross, Lamar Black.

## Cheerleaders

The chief spirit promoters on the University campus are the Ole Miss cheerleaders. This group is composed of eight people who are elected by the student body to serve during the coming year. This year the Ole Miss cheerleaders helped put a "new look" into the Ole Miss Rebels with their new uniforms.

To assist the varsity cheerleaders, the freshmen class elected eight freshmen cheerleaders. This group helped in passing out Rebel flags and souvenir footballs.

This untiring group lead Rebel yells at all pep rallies and football games.

ASSISTANT EDITORS

The 1966 Ole Miss presents in a new style the activities and best traditions of the University. We, the staff, have worked hard to produce a yearbook of which every Ole Miss student can be proud.

Many sections of this book were compiled by computed programs developed at the University's Computer Center. These programs gave the staff the fastest and most accurate means ever used in composing the Ole Miss.

In planning, compiling, and editing the copy and pictures that make-up this yearbook, we never stopped trying to make it better. We think we have succeeded and produced something all will appreciate and enjoy.

**The Mississippian**, widely acclaimed as the best campus newspaper since **The Rebel Underground**, enjoyed another banner year. There were days, in fact, when the banner was about all that was in it.

Editor Gene Fair managed to alienate more people faster than at any time before in his alienation-prone career. (Those who know Fair personally will testify that this is no mean feat.)

Business Manager Paul Johnson and Advertising Manager Joe McCarty both failed to last the year—Johnson because he was a better bookmaker than bookkeeper, McCarty because he could not sell advertising as fast as Columnist Lew Powell could lose it.

Sports Editor Charles "Peanut" Overby covered Batmeat and Bluejay, New Year's resolutions, Trondas, and even an occasional athletic event.

Ginger Brown and Sally Scott edited the society page whenever it was not a house ad.

News Editor Larry McMillen crossed swords, pens, and wits with those who expounded at length on everything and everybody, all in the name of a Greater University.

Dave Darnell's photography department, featuring Willie Izard, the Fulton Flashbulb; Steve Elkins; and pornographer C. S. Robb; furnished many excellent shots, some of which were even printed.

And Tommy Houston, Executive Editor, got out the paper.

## Moot Court

The purpose of the Moot Court Program is to provide the law student with some practical understanding of the highly technical theory which characterizes his academic training while at the Law School. Each student is required to participate in both the Appellate and Circuit Court Programs conducted by the Moot Court Board.

The Moot Court Board is composed of students selected by the Law School faculty on the basis of academic standing. Thus constituted, the Board supervises the Moot Court Program, schedules the hearing of cases before practicing attorneys or Judges, and helps the individual participants in the preparation of their cases. The Board also conducts an annual competition of those selected for advanced argument before an appellate court composed of outstanding jurists of the area.

In every phase of the Program a real effort is made to stimulate a feeling of realism. Under an agreement with the Mississippi Supreme Court the Board has access to the actual transcripts of trials appearing before that Court for review. The School of Law is fortunate to have a full-sized Moot Court Room appointed and equipped in accord with modern requirements.

## Mississippi Law Journal

The Mississippi Law Journal is a legal periodical, the fourth oldest in the nation, and the official publication of the state bar. Each of the four annual issues, which are distributed free to law students and bar members, contains articles by prominent legal writers as well as works by student staff members. Editorial control is in the hands of the student editorial board, which is supervised by a faculty advisor. Staff positions are filled on the basis of scholastic achievement and writing ability.

**Seated:** Don McDonald, Bill Hester, Tom Bearden, Dave Tootle, Eddie Cofer. **Standing:** Jim Martin, Jerry Drott, George Vassallo, Danny Richardson.

WCBH, 640, is the all-student station of the University of Mississippi. The carrier current broadcast operation programs "good music" and news, and covers important campus events live. This year The Parade of Favorites and Beauties was broadcast live from Fulton Chapel. A "Call & Claim" night was held, which saw every record played given away to the first person who called and wanted it.

"The Voice and Choice of Ole Miss" received the highest honor available to a student station in 1964, when it was awarded the coveted citation of "All American Station of the Year."

With studios "Atop the Fine Arts Center" the operation runs on a continuous basis, housing the largest broadcast journalism organization for gathering and reporting the news for air in the State.

WCBH follows the Rebels, bringing live coverage of all football and basketball, both home and away games. More Ole Miss sports was broadcast over WCBH in 1965-66 than any other station.

This year witnessed the WCBH staff grow from 28 to 42 members, and adding the most modern broadcast equipment available, plus a production room.

Premedical students maintaining a 3.00 average over three semesters may be awarded membership in Alpha Epsilon Delta. The international premedical honor society was organized to encourage excellence in premedical work by furnishing a goal toward which the student may strive during the early semesters of his or her premedical career and to advance the interests of students in this field.

At present there are over ten thousand members in the sixty-one active chapters in colleges and universities in the United States. The Mississippi Beta Chapter was established in 1938 and serves to give public recognition of past accomplishments to the premedical student by extending an invitation to membership. This chapter also serves as an organization of common interests, fellowship, and friendship among premedical and premedical students.

The objectives of the society are to encourage excellence in premedical work by furnishing a goal toward which the student may strive during the early semesters of his or her premedical career; to bind together similarly interested students; and to bridge the gap between the spirit of the premedical school and that of the School of Medicine.

Seven major productions permeated the year's agenda under the sponsorship of Alpha Psi Omega: "Cat On a Hot Tin Roof", "Rhinoceros", "Come Blow Your Horn", "Henry IV, Part I", "The Glass Menagerie", "How to Succeed in Business Without Really Trying", and "Antigone". The members of the fraternity are the backbone of the year's productions as they serve as actors, scene designers, and committee chairmen. More specifically, Alpha Psi Omega forms the nucleus of the University Theatre. In addition to the major productions, Alpha Psi Omega has sponsored an Experimental Theatre, presenting new plays each week to the University.

Alpha Psi Omega was founded in 1925 as a national honorary dramatic fraternity to recognize and reward all phases of student participation in college play productions, and is the largest national college organization in any departmental field, with 350 collegiate chapters and a total membership of 20,000.

In order to be eligible for membership in Alpha Psi Omega, a student must have participated in dramatic productions with a minimum of acting, stagecraft, and other workshop activity as prescribed in the national constitution of the fraternity.

The national honorary and professional fraternity in the field of accounting was founded at the University of Illinois in 1919. Alpha Theta Chapter, one of the 64 outstanding chapters nationwide, was installed at the University of Mississippi in 1951. The fraternity was established for the purpose of encouraging and fostering the ideals of scholarship and service as the basis of the accounting profession and for developing high moral, scholastic, and professional standards for its members and the profession in general.

The fraternity limits its membership to outstanding upperclassmen in accounting who have demonstrated their scholastic ability and high moral character. Prospective members must be an accounting major, have completed 12 hours in accounting with a 3.0 average, have an over-all 2.5 average, and have made a "B" or better in either Accounting 205 or 206.

Fraternity activities include regular meetings with guest speakers, initiation banquets for new members, and the presentation of financial awards to its members for excellence in accounting.

The University of Mississippi chapter of Beta Gamma Sigma was chartered in 1944. This national scholastic honor society is for men and women in schools of commerce and business administration. Members of Beta Gamma Sigma are students with high scholarship in the School of Commerce.

To be eligible for membership, seniors must be in the upper ten per cent of their class and must have accomplished a grade average of not less than 3.2. Second semester juniors with exceptionally high scholastic standing are also eligible. This society stands for the highest principles of studies and has its purpose the promotion of interest and scholarship in the Commerce School.

The purpose of Beta Gamma Sigma is to encourage high scholarship and to foster high ideals in business. Chapters of this honor society are established only in institutions which are members of the American Association of Collegiate Schools of Business.

"Cwen" is Anglo-Saxon meaning "lady" and after much discussion this name was chosen for the sophomore honor society for women at the University of Pittsburgh, November 17, 1922. The fourth chapter to be installed was Iota at the University of Mississippi on March 1, 1941. Iota developed from a service organization known as "Triads" which was founded at Ole Miss in 1937.

Now entering its 25th year, activities of the year have included: encouragement of study and extracurricular activities for freshmen, social service projects, special birthday cake service, hostessing. Selection of new members highlights the spring semester.

Any bona fide woman student of the University of Mississippi is eligible for active membership in the spring of her freshman year provided she has maintained at least a 2.5 average, has shown a marked interest in the student activities of the women's campus organizations and of the student body as a whole, has shown evidence of constructive leadership, and has exemplified the true Ole Miss spirit in her relations with fellow students, faculty, and administration.

Alpha Phi Chapter of Delta Sigma Pi, the second-largest professional fraternity in the United States, was established at the University of Mississippi in 1927. Delta Sigma Pi was founded at New York University's School of Commerce, Accounts and Finance, on November 7, 1907.

Delta Sigma Pi is organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; and to further a high standard of commercial ethics and culture, and the civic and commercial welfare of the community.

Delta Sigma Pi conducts programs with prominent speakers from the business world, and promotes discussions and films about important topics of interest to commerce students.

Membership is limited to men in the School of Commerce and Business Administration who meet the necessary scholastic requirements and are approved by the fraternity. Membership in Delta Sigma Pi is for life. Among the 50,000 alumni of Delta Sigma Pi are some of this nation's most outstanding business leaders.

When the colors silver and gold begin flickering, it symbolizes "Opportunity and Achievement" to the women of Mortar Board. The organization was founded in 1918 at Syracuse University, and established its local chapter, Tassels, on the Ole Miss campus in 1936. "Service, Scholarship, and Leadership," is the motto of the 117 chapters of Mortar Board in colleges throughout the nation.

Activities of the society are evidenced by: selling Mortar Board calendars, providing a schedule of the year's activities at Ole Miss; wearing white blazers with the Mortar Board crest to make the campus aware of those girls who have reached the high standard for membership in the organization; co-sponsoring with Omicron Delta Kappa, the ODK-Mortar Board Forum Series, which brings outstanding speakers to the Ole Miss campus; sponsoring special Christmas party for needy families in the campus district; preparing a "summer reading list," including books suggested by professors on campus, to be sent to high school students who have applied to Ole Miss for the next year; planning a "Smarty Party" to honor all students who have made a 3.0 average during the first semester's work; and, ushering at campus functions. Omicron Delta Kappa-Mortar Board Forum Series have brought to the campus this year such speakers as Marvin Kalb, Gerald Ford, J. P. Coleman, Pierre Mendes-France, Vera Micheles Dean.

Membership is limited to those senior women maintaining a 3.0 average during five semesters of college work, who have evidenced outstanding qualities of leadership in participation of campus activities, and who have a definite record of service to the University of Mississippi. The purpose of Mortar Board is: promoting college loyalty; advancing spirit of service and fellowship among university women; maintaining a high standard of scholarship; recognizing leadership; and developing a finer type of college women.

Chartered at the University in February of 1936, Omicron Delta Kappa, national honorary organization which recognizes men for outstanding leadership and scholarship, is considered the highest honor a male can receive at the University. The original chapter was founded at Washington and Lee University in 1914.

The purpose of the Omicron Delta Kappa Society is threefold: first, to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicuous attainments along similar lines; second, to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help to mold the sentiment of the institution on questions of local and intercollegiate interest; third, to bring together members of the faculty and student body of the institution on a basis of mutual interest and understanding.

In order for a man to be considered for membership in Omicron Delta Kappa, he must earn a certain number of points. A man receives points for activities in the following areas of student life: Scholarship, Athletics, Student Government, Publications and Speech, Music and Dramatic Arts.

Although Omicron Delta Kappa is primarily an honorary organization, it performs many services to the University and its students. The principal project is the forum series, sponsored in conjunction with Mortar Board, which brings nationally and internationally known figures to the campus to speak on pertinent topics. Omicron Delta Kappa-Mortar Board Forum Series have brought to the campus this year such speakers as Marvin Kalb, Gerald Ford, J. P. Coleman, Pierre Mendes-France, and Vera Micheles Dean. Another service of Omicron Delta Kappa is its Foreign Scholarship Fund which is awarded to one of the foreign students on campus who meets certain standards and who is in need of financial assistance.

Having been originally founded at the University of Illinois, March 22, 1923, Phi Eta Sigma, the national honorary society for freshman men, has at the present time over 121 chapters. Beta Chapter of Phi Eta Sigma was established on the Ole Miss campus in 1929.

The sole purpose of the society is the recognition of outstanding academic achievement and it encompasses all fields of academic pursuit, from history to physics, from economics to theology.

Members are chosen from among those freshmen whose over-all grade point average is above a 3.5, either at the end of their freshman year or at the end of their first semester at the University. As Phi Eta Sigma is the highest attainable honor by a freshman, he retains active membership throughout his four college years.

Two major functions during this year were the "Freshman Honor Party", sponsored in conjunction with Alpha Lambda Delta, and Spring initiation.

The Alpha Epsilon Chapter of Phi Delta Chi was founded at the University of Mississippi in 1927. Two years later, in 1929, the fraternity became inactive and was not reactivated until 1951. Students who are outstanding in the School of Pharmacy may join the pharmaceutical fraternity, Phi Delta Chi. It is a national fraternity which was first established at the University of Michigan, Ann Arbor, Michigan, in 1833.

The men in the chapter symbolize the two-fold purpose of the fraternity: brotherhood and hard work. The high ideals of the pharmacy profession have been fostered through their good fellowship and cooperation. The group works together to keep these standards high.

Phi Delta Chi performs many services to the School of Pharmacy and its students. The principal project is the bookstore operated for the pharmacy students. Phi Delta Chi also has various exhibits during Pharmacy Day each year.

Although books, pills, powders, and labs occupy a great part of their time, the men also participate in social activities. The Phi Delta Chis hold various social functions during the year which prove that work and play can be combined successfully.

The University of Mississippi Chapter of Phi Kappa Phi, national honorary scholastic fraternity, was chartered in 1959. The chapter admits to membership juniors and seniors of superior scholastic attainment. They must have a minimum average of 3.7 for 75-90 hours, and 3.5 for more than 90 hours. Phi Kappa Phi recognizes scholarship in all areas of academic endeavor, and election by the University's chapter signifies the highest scholastic achievement.

The fraternity elects members twice yearly. The spring semester initiation is followed by a banquet, honoring all members elected during the academic session. The banquet is marked by an address given by a distinguished visitor.

Each year at Commencement exercises Phi Kappa Phi presents a scroll and the sum of \$50.00 to the graduating senior who has achieved the highest four-year scholastic average in the University. Each fall Phi Kappa Phi presents a \$25.00 savings bond to the freshman student who maintained the highest academic average of the preceding year.

Desiring to be incorporated in Tau Beta Pi Association, the National Engineering Honor Society, the Pi Beta Tau Association was formed at the University of Mississippi in the Spring of 1963 by the School of Engineering for the purpose of marking in a fitting manner those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as undergraduates in the field of engineering.

Eligibility for membership in the Pi Beta Tau Association is determined by excellence shown in scholarship, character, personality and practicality. The seniors must rank in the upper fifth of their class and the juniors in the upper eighth of their class in the School of Engineering. The fields of engineering are Chemical, Civil, Electrical, Geological and Mechanical Engineering.

This year the association has done much to create and develop a spirit of unity and activity among those in the fields of the engineering profession. The colors of the fraternity portray themselves in public service work as the Information Booth on Engineering Day and Big Brother Student Advisers.

"Proposal for Public Defendant System," was the topic chosen by guest speaker Thomas R. Etheridge, former United States Attorney, in an address to members of Pi Sigma Alpha at the University of Mississippi, being representative of speakers during the Fall Session. Pi Sigma Alpha, an honorary political science fraternity, has monthly meetings at which outstanding guest speakers from the fields of government and political science address and discuss current issues with the fraternity.

At the University of Texas in 1920, Pi Sigma Alpha was founded. Today it has expanded into more than 70 chapters with a membership exceeding 10,000. For membership a person must show a manifest interest in political science, an academic excellence (a "B" average in at least 12 hours of political science), and must show a promise of future achievement.

Rising to the forefront are the two main objectives of Pi Sigma Alpha: (1) the recognition of superior academic ability in the fields of political science and government at the University of Mississippi; and (2) the stimulation for more productive scholarship and intelligent interest in the subjects of government and political science.

The Ole Miss chapter of Sigma Delta Chi was founded in 1963. Sigma Delta Chi is a worldwide organization of men engaged in every field of journalism. The purpose of the society is to promote high ideals in journalism, to attract able young men to the field, and to advance the cause of freedom of information through the various fields of journalism.

Sigma Delta Chi sponsors such activities as the **Mississippi Magazine**, high school press institute, and awards to outstanding student journalists. Members of the organization attended the national convention in Los Angeles and the regional convention in Birmingham. The group has also participated in projects with both the Memphis and Jackson professional chapters. Sigma Delta Chi also sponsored open house at the journalism department during all home football games and assisted the journalism department with the annual high school "Freedom of the Press" essay contest.

Sigma Delta Chi serves to keep the profession's standards on a high ethical and technical level. Requirements for membership include above average academic standing, and a sincere desire to enter the professional field of journalism.

## Alpha Sigma Sigma

The status of Alpha Sigma Sigma dropped to a new bottom this year. Still flushed with their successes of the past, the fat and sassy AΣΣ's began by signing up for the bowling league, expecting to wipe up, only to find that it was not their game when none of the brothers were able to crack 69. But the AΣΣ's, as usual, turned the other cheek to gross insults.

Do not make the mistake, however, of thinking that the AΣΣ's are all dumb—the chapter, in fact, is replete with smart AΣΣ's. Pledges who do not make their grades are designated as half-AΣΣ's.

The future looks as bright as the half moon, as a commodious new chapter (out)house is planned.

Phi Alpha Delta is a national Greek letter law fraternity founded in 1898 by a group of law students at the Chicago College of Law. Lamar Chapter was established here at Ole Miss in 1946 and was named for L. Q. C. Lamar, one of Mississippi's leading statesmen of the past.

The association from which Phi Alpha Delta grew was originally a loose-knit group of chapters banded together as Lambda Epsilon. In 1902, Lambda Epsilon was dissolved and the present name of Phi Alpha Delta was adopted. Student chapters are located only in Class-A law schools which are members of the Association of American Law Schools. Membership in this fraternity is obtained by those who fulfill the necessary scholarship and character qualifications.

## Phi Delta Phi

Phi Delta Phi, international legal fraternity, had its inception in December, 1869, at the University of Michigan, when a group of students in the law department, recognizing a need for a fraternity of lawyers, organized the first Inn which was also the first professional fraternity in America. Mayes Inn, the Student Inn here at the University of Mississippi was chartered in 1927. The fraternity is founded on the principles of high scholarship and culture, opposition to corrupt practices, and rigid adherence to a code of professional ethics.

The Ole Miss student section of ASME has as its purpose the promotion of professional development and contact with practicing mechanical engineers. This is accomplished by field trips and a diversified speaker program. This year field trips were taken to the U. S. Steel plant in Birmingham and the Marshall Space Flight Center in Huntsville. Speakers from wide ranging fields were heard at the monthly meetings. Some of these representatives were from I.B.M. Federal Systems Division, Humble Oil and Texaco (Petroleum Industry), Texas Eastman Corporation and DuPont (Chemical Industry), and U.S. Steel Corporation. From this program the members gained an insight into the engineering profession.

The chapter had an active part in Engineering Day activities with projects and displays on exhibit. These projects were mostly the work of senior students and gave university and visiting students a better understanding of engineering principles.

Each year several members participate in regional and national competition by presentation of original papers. These papers have a subject of the student's choice and are presented before the Society at its regional and national meetings. By these means the ASME fulfills its purpose, guiding the students of mechanical engineering.

The Baptist Student Union is a youth organization of Baptists in higher institutions of learning; college, graduate school, technical school, or professional school. You become a member of BSU when you join the local Baptist church or any unit of church activity. The units of our BSU are Sunday School, Training Union, Y.W.A. and Brotherhood. The BSU functions in and through the local church but centers its planning and leadership in an Executive Council on the campus. Any Baptist student is eligible for nomination to this Council. We also function through the Mississippi Baptist Student Convention and through our Southern Baptist Convention with its worldwide youth activities. The BSU serves the college community by promoting Bible study, prayer, church membership, denominational loyalty and Kingdom advancement.

The Baptist Student Union is the church at work on the campus. Designed for the purpose of helping college students grow in their relationship with Christ, the BSU sponsors activities that will provide such growth. With its emphasis on daily devotional meetings, prayer partners, consistent Bible study, church loyalty and maximum Christianity, the BSU strives to make Christ more real to the Baptists on our campus.

In 1927 the Cardinal Club was organized as a sophomore service organization and has become famous as a freshman disciplinary committee. The main purpose of the Cardinal Club is to instill in the freshman students enthusiastic spirit and a love for Ole Miss.

This spirit was brought out in many ways by the Cardinal Club members. Under the leadership of president Buzzy Clayton, the Cardinal Club sponsored such events as the traditional freshman haircut at the beginning of the fall semester, and the freshman roll call at pep rallies before football games. Along with these events the Cardinal Club sponsored the freshman pajama race, the greased pig chase, and the building of a giant bonfire before Homecoming.

With the Girls' Megaphone Club as our co-sponsors, we enjoyed a successful year in sponsoring all these school spirit events. The Cardinal Club is looking forward to another year and the enthusiastic spirit that is sure to come.

The Committee of 100, an organization of students of all faiths which represents all areas of the campus community, sponsors the Religious Emphasis Speakers who are selected by the Planning Committee of the Committee of 100, standing committee of the university. The members of the Committee of 100 accept their responsibility in the knowledge that they speak for religion on the campus in bringing to the campus each month, except for the months which include examination periods, a Religious Emphasis Speaker. During their two-day visits these prominent speakers of different denominations and faiths are heard by students, faculty, and staff at convocations, in classrooms, and in discussion groups in dormitories and in sorority and fraternity houses. The students make all arrangements for each speaker; they plan his schedule and consider him as their guest during his stay on the campus. The fine spirit within the Committee of 100 and the seriousness with which students from all areas of the campus accept the responsibility tend to implant within the campus community an awareness of religious activity throughout the year.

Intercollegiate debate is a form of intellectual competition which requires speaking ability, logic, and research. One topic is designated to be debated at all tournaments during an academic year, and competitors must constantly search for new arguments and evidence. Prizes are awarded to teams on the basis of won-lost records and to individuals according to speaker points.

Ole Miss re-entered active competition in 1963 and in three years established a record of numerous victories and continuous improvement. This success has been largely due to Coach Ray Schexnider, who has worked to develop a squad capable of competing in varsity competition with more experienced teams.

Patience and hard work paid off in the first half of the 1965-1966 season. With the addition of Mrs. Jerry Settoon as assistant coach and an enlarged squad, Ole Miss placed in every tournament attended. Highlights of the semester include a tie for first place at the Mississippi State Tournament, six individual awards in Youth Congress, and third place sweepstakes at the Southern Birmingham Regional Tournament. During the second semester Ole Miss will enter invitational tournaments in Mobile and Miami.

The Ole Miss College Chapter of the Mississippi Home Economics Association was founded on this campus in 1938 and is affiliated with the American Home Economics Association. The purpose of the organization is to provide for and promote the professional development of college home economics students. The section works towards this object by participating in the promotion of the objectives and programs of the American Home Economics Association, providing for friendly association among faculty and students interested in home economics, helping students meet and know people who have attained recognition in home economics professions, working together to share with others enthusiasm for home economics, providing experience to increase mutual understanding among peoples of all cultures, and encouraging graduating seniors to become individual members of the American Home Economics Association. A national program is set up at the beginning of each year and is carried out during meetings which are held on the third Tuesday of each month. The club brings members together to inform them of the opportunities in the field of home economics.

The Institute of Electrical and Electronics Engineers is a direct result of the merger between the American Institute of Electrical Engineers (AIEE) and the Institute of Radio Engineers (IRE). The AIEE was incorporated in March, 1896, for the purpose of promoting the arts and sciences connected with the production and utilization of electricity, the reading and discussion of professional papers, and the circulation of publications to the members containing useful information. The IRE was organized in August, 1913, with the purpose of advancing the art of science of radio.

The student branch of the IEEE was organized on the Ole Miss campus in the spring of 1959. Its membership includes all electrical engineering majors and other students majoring in related fields. The purpose of the society is to advance the theory and practice of electrical engineering, and to promote the professional development of electrical engineering. The IEEE endeavors to foster a professional spirit among students with common interests while instilling a pride in electrical engineering and its related fields.

Kappa Psi Pharmaceutical Fraternity is a professional fraternity which limits its membership to pharmacy students in the professional program at schools or colleges of pharmacy that are accredited by the American Council on Pharmaceutical Education. Kappa Psi is the oldest Greek letter pharmaceutical fraternity, being founded on May 30, 1879. It is the largest of all Pharmacy fraternities and is one of the largest of all professional fraternities, with more than twenty-two thousand members. The members of the fraternity are found in every state in the United States and in many foreign countries.

Since Kappa Psi, the first national Greek letter pharmaceutical fraternity, was reactivated at Ole Miss in 1947, its prestige has grown steadily on the Ole Miss campus as pharmacy students have realized its importance in their professional outlook.

Kappa Psi places great emphasis on scholarship. Two national awards are available to members for outstanding scholarship achievements. The men of Kappa Psi are chosen in recognition of their scholastic standing, general ability, character, personality, and activities. They must strive to exert their utmost efforts to preserve and further the high ideals which are always displayed by the pharmaceutical profession.

The Megaphone Club is composed of a sophomore girl from each sorority and two independents. In addition, the club has a freshman from each sorority and two independents who serve as pledges.

The purpose of the Megaphone Club is to foster school spirit at every activity on campus. The club assists the ASB School Spirit Committee and the Cardinal Club with the Welcome Rebel Party, serves on Welcoming and Orientation Committees, and helps with pep rallies and sports events. This year, the members of the Megaphone Club were seen at every pep rally wearing their uniforms and encouraging attendance by offering prizes to freshmen girls whose names were drawn.

During registration, the Megaphone Club sold red and blue ribbons to the freshmen girls. The girls were required to wear the ribbons in their hair for the entire week. The money collected was used to buy prizes, have signs made for pep rallies, and to pay the club's expenses. The Megaphone girls made an alligator that was burned at the Florida bonfire in the fall. The club has also helped pay for the Rebel flags used at the football games in previous years.

The Newman Apostolate is a Catholic-sponsored organization for students on secular college and university campuses. It was designed originally in 1893 by five medical students at the University of Pennsylvania, but did not really begin to function until 1913. The organization derives its name from the great English convert of the 19th century, John Henry Newman, who later in his life was elevated to the status of a prince of the Catholic Church—a Cardinal. Newman was at first a brilliant student, and then a professor, at Oxford University. He understood well the plight of the Catholic student on a non-sectarian campus. The Newman Apostolate today, following in Cardinal Newman's footsteps, attempts to offer a deepening of the spiritual and an enriching of the temporal lives of its members, through a balanced program of religious, intellectual, and social activities. It attempts to infuse the "Soul of Life" into the "Body of Education." The entire Newman program is open not only to Catholic students, but to any college student who so desires to participate in the activities of the organization, regardless of religious affiliation.

The Ole Miss Y (YMCA-YWCA), a nondenominational lay Christian organization with voluntary membership open to all students, faculty, and staff, dates back to 1868. Members of the faculty and staff cooperate with students in their endeavor to develop a program of Christian fellowship which offers free-time activities and other services to aid significant cultural, vocational, intellectual, social, and recreational interests. Special speakers, panel discussions, films, and drama are presented in bi-monthly meetings. The program is under the leadership of the Y Cabinet, the elected officers of the junior-senior group. The Y program is supported through voluntary contributions during the annual Y Finance Drive from students, faculty, staff, alumni, and friends. An annual event providing much entertainment, Stunt Night, is sponsored by the Ole Miss Y to raise funds for the World University Service. Students of the Ole Miss Y and the international students meet as the Cosmopolitan Club in homes and in sorority and fraternity houses in an effort to bring about a closer relationship between students of different cultures. The Y Building offers recreational services, conference and meeting rooms, study areas, and social activities.

Sinfonia was founded nationally on October 6, 1898, at the New England Conservatory of Music in Boston, Massachusetts. From this beginning Sinfonia has grown into a professional music fraternity of 240 chapters which have included on their rolls the most eminent men in music in the United States.

Lambda Xi chapter was installed on the Ole Miss campus on March 31, 1962, and has strived hard to carry forth the four basic purposes of the fraternity: 1) to advance the cause of music in America, 2) to foster the mutual welfare and brotherhood of students of music, 3) to develop the truest fraternal spirit among its members, and 4) to encourage loyalty to the Alma Mater. Wherever there is music on the Ole Miss campus there you will find the men of Sinfonia.

The activities of this group include an annual All-Pledge Recital, an annual All-American music Recital, and this year the pledge class served as the stage crew for the University Opera Theater's production of Fledermaus. The heart of Sinfonia's activities lies in the performance and enjoyment in the finest of music.

The national fraternity was chartered in 1952 and is "the National Professional Fraternity in Marketing, Sales Management and Selling." At the present time Pi Sigma Epsilon is the fastest growing fraternity of any kind in existence today.

Alpha Theta chapter was chartered at Ole Miss April 30, 1963.

Pi Sigma Epsilon requires that its members manifest an interest in the selling profession as a career, obtain the academic standing required for graduation, and show leadership qualities through participation in college activities. Its purpose is to create a collegiate brotherhood of men who are interested in the advancement of marketing, sales management, and selling as a career.

Alpha Theta Chapter is sponsored by the Sales and Marketing Executives of Jackson. Each year in March the sponsoring organization awards three scholarships totaling \$400 to the three chapter members who have contributed the most to the chapter.

The Student Education Association is a professional education organization with chartered chapters in accredited colleges and universities throughout the country. It has as its members students who plan to teach. Its programs, aimed at developing personal and professional growth and competence, include teaching films, practice-teacher panels, interviewing "know-how" discussions, and speakers from educational, as well as other, fields.

In keeping with Student National Education Association goals of providing opportunities for personal and professional growth for the membership, the University of Mississippi chapter has had a variety of programs this year. Mr. Norman McKenzie, president of the Mississippi Education Association, spoke on "How Can We Achieve A Powerful Education?" "Tip for Student Teachers" was the topic given to a panel of recent University graduates with Dr. Kenneth Bender, Director of Student Teaching, acting as moderator. Dr. R. E. Keye, Chairman of the Mississippi Education Association TEPS Committee, explored the National Commission on Teacher Education and Professional Standards. One of the more outstanding events of the year was the American Education Week Tea, honoring the School of Education faculty and the Academic Council.

Composed of some thirty-four of the best vocalists on the Ole Miss campus, the University Concert Singers, selected by audition, strive to present enjoyable concerts to the students of the University and to represent the University at off-campus functions. In addition the Singers work to attain a well-rounded choral musicianship and to become acquainted with many fields of choral literature. Under the direction of Dr. James Coleman, the University Singers has earned a well-established reputation as one of the best disciplined choral groups in the South. On the campus the group has presented for many years a Christmas concert and a spring concert, offering selections by such outstanding composers as Mozart, Gianninni, Benjamin Britten, Randall Thompson, and even Henry Mancini.

In the tradition of the University Singers, the present group is planning a choral tour. In recent years the Singers have performed at the World's Fair in New York City, as representatives of the entire state. At present, the Singers, in cooperation with the University Band and the Department of Speech and Theatre, are organizing a study-tour of Europe for the summer of 1966.

# University Dancers

## OFFICERS

Vice-President	Jan Singletary
Secretary	Ginger Brown
Treasurer	Dee Dee Speakes

The University Dancers is an organization which was founded in order to promote the interest and enthusiasm of girls in dancing and to further the study of modern dance techniques. It gives the members an opportunity to pursue compositional problems and to choreograph dances for performance purposes. Since the Dancers is a club, it is up to the members to select new dancers through tryouts held early each fall. The tryouts are based on poise, ability, creativeness, grace, and agility.

Each year the Dancers prepare different shows to perform to the various clubs and organizations that visit the Ole Miss campus. These performances are also shown to the local groups in the Oxford area. On various occasions, the Dancers have also had the opportunity to perform for various television programs.

Perhaps the biggest event each year concerning the Dancers is their Spring Concert. The concert is actually a culmination point for that year's work. With this program, the Dancers work together to choreograph numbers following their own program design. The program is becoming a greater attraction each year on the campus.

The Wesley Foundation is the church on campus. It is a fellowship of persons seeking to become responsible, faithful people of God. Wesley does this through providing opportunity for worship, study, fellowship, and service.

Realizing that worship is the central act of the Christian faith, we provide many informal opportunities for our students to experience this act. Through a deeper understanding of the true meaning of showing worth to our Creator, we seek to encourage each individual to make all of life a worshiping experience.

Realizing that the vocation of the student is study, we add theology to the student's curriculum. It may take the complexion of a lecture, a panel, a film, or a combination of methods for learning.

Realizing that one must be in relation to other people to have meaningful living, we provide opportunities for real fellowship. Realizing that action must be an integral part of the Christian faith, we provide opportunities for students to do as well as to talk. Wesley also encourages students to participate in many service outlets provided by the campus life.

Westminster Fellowship is a student organization related to the Presbyterian Church. In theory Westminster Fellowship is comprised of all Presbyterian students at the University. In reality a core of the corps supports the organization. Striving to be other than a Sunday evening supper club, Westminster Fellowship is concerned with the Church as a Mission. Its activities, programs, and fellowship channel themselves from nurture to action.

Schedule-wise Westminster Fellowship unites for supper and programs on Sunday evening at the Westminster House, the Presbyterian student center. Weekday functions include luncheon meetings, grill sessions, and a weekly Bible study on campus. Organized to serve the campus community, Westminster publishes a newspaper, sponsors conferences, and by personal involvement proclaims the Lordship of Jesus Christ to the world. Westminster Fellowship is also involved in the ecumenical movement on campus, the United Christian Fellowship, which seeks cooperation without compromise within the Church.

The advisor to Westminster Fellowship is the Rev. Wayne W. Hoffman, who is campus minister for the Presbyterian Church. His ministry includes students, staff, and faculty and seeks to relate all to the Church and its Lord, Jesus Christ.

The Women's Recreation Association was founded at the University of Mississippi in 1926. The WRA is designed to enable every University woman to participate in intramural sports which include volleyball, table tennis, archery, badminton, bowling, basketball, softball, and tennis.

The WRA board consists of two members from each dormitory and sorority. The board meets twice a month. The WRA sponsor is Miss Emily Grace.

As each tournament is played, points are given to the organization which wins each game. A certain number of points are also given to the winner of each tournament and the team that places second.

At an awards party at the end of the year, a trophy is presented to the organization that has accumulated the most overall points. Trophies are also awarded for the individual tournaments.

A sportsmanship trophy is given to the group which the physical education faculty thinks has displayed the best sportsmanship throughout the year.

The oldest secret sorority for college women, Alpha Delta Pi was founded in 1851 at Wesleyan Female College in Macon, Georgia, the oldest women's college in the world. Today there are one hundred and thirteen chapters in the United States and Canada, and its total membership makes it one of the largest sororities in National Panhellenic Council.

Delta Sigma Chapter came to the University of Mississippi in 1960, and have made vast progress since that time. Alpha Delta Pi's are active in numerous phases of campus life.

The pin of Alpha Delta Pi is diamond-shaped and bears the clasped hands of sisterhood. The sorority colors, blue and white, its flower, the violet, and its open motto "we live for each other," are an inspiration to the members to live up to the ideals stressed by the founders of the sorority . . . the trials of intellectual and moral worth, dignity of character, and propriety of deportment.

Friendship is a promise of Alpha Omicron Pi, and it was a true friendship that it's four founders pledged, one to another, as they met in a little room at Barnard College on January 2, 1897. The Friendship pledged that day has grown to include seventy-one collegiate chapters, one hundred and sixty-one alumnae chapters, and over thirty thousand members throughout the United States and Canada.

Since Nu Beta Chapter came to Ole Miss in 1957, its members have endeavored to establish high standards in scholarship, character, integrity, and active campus participation. They have succeeded in all phases of campus life as they have several campus senators, members of the Committee of 100, and top officers in Theta Sigma Pi, Sigma Delta Pi, Kappa Epsilon, and Sigma Alpha Iota.

The AOPi's begin their year of social activities with the Showboat party during Rush Week. The Rose Ball is their social highlight, but they also have numerous parties during the year. These many get-togethers help to instill a close feeling of loyalty and friendship in the girl of AOPi.

The proud wearers of the X and horseshoe badge have once again kept the Chi Omega banner flying high. A very staunch boost came with the Chi O's winning the Scholarship trophy. Aiding Chi O scholarship and leadership are members of Mortar Board and CWENS. Amanda Powell served as President of CWENS and Lou Ann Hartgraves as Vice-President of Mortar Board. Lou Ann and Mary Ann Hancock were selected in Who's Who. Mary Ann, ASB Secretary and AWS officer, was selected to the 1966 Hall of Fame.

Chi Omega favorites are Beth Eichold and Sally Holloman. Sally also serves as varsity cheerleader. Melissa Pendleton was selected a top ten beauty, and Beth Edmondson reigned as KA Centennial Queen. Finalists in the Maid of Cotton Contest were Jane Flautt and Sally Scott.

Chi Omegas added two new trophies to their collection by capturing first place in Sigma Chi Derby Day and Sing-Song competition.

On Thanksgiving Eve, 1888, four young ladies at Boston University started a new sorority—Delta Delta Delta—which has grown into 109 active chapters in the United States and Canada. Chi Chapter at Ole Miss was founded in 1904.

Tri Deltas are always among the top sororities in scholarship and participation in campus activities. This year they held many places in the campus spotlight as Lassie Cooke reigned as Homecoming Queen, Campus Favorite, and Varsity Cheerleader; Barbara Allen and Judy Watts were chosen as beauties; and Carolyn Bruno was elected as Freshman Cheerleader and Campus Favorite. Tri Deltas are also very proud of Patsy Puckett who is reigning as Miss Mississippi and First Alternate to Miss America. Other members of Chi Chapter serve as members of CWENS, Mortar Board, Committee of 100, Rebelettes, dormitory officers, and in many other capacities.

Both in fun and in work, sisters of Delta Delta Delta are devoted to the principles of friendship, love, and sisterhood, as is expressed by their motto, "Let us steadfastly love one another."

Delta Gamma Fraternity has long been a member of the Oxford-University community, since it was founded at the now defunct Lewis Girl's School in Oxford in 1874.

The DG's on the Ole Miss Campus stress all phases of campus life. This year Roy McRoskey served as Panhellenic Council President. Jeanne Cromwell was an alternate beauty. Favorites elected from the DG's were Beverly Whitten and Judy Permenter. Fraternities chose these Delta Gamma's as their sweethearts—Delta Psi, Carolyn Campbell; Pi KA Dream Girl, Ellen O'Neal; and Sigma Nu, Lynn Treppendahl. Monty Wilborn was Pharmacy Queen. Lynn Jones served as a Homecoming Maid. DG's who were in the Top Ten Best Dressed were Marilyn Harris, Camile Faure, and Celia Maxey. Angel Flight members are Beverly Whitten, Betty Rowzee, Ellen O'Neal, Beth Davis, and Ginger Powell. Navy Sponsors are Pat Tynes and Judy Permenter. Beverly Whitten was also a varsity cheerleader, while Judy Permenter and Beth Davis were freshmen cheerleaders. Campus senators were Jeanne Cromwell, Ann Shook, and Adele Peresich. Delta Gamma has five members of CWENS.

The golden anchor of Delta Gamma holds true its meaning in and on the Ole Miss campus.

Dedicated to friendship, youthful ideas, and loyal service, Kappa Delta was founded by four college girls who sought to create a symbol for the future. Today, there are one hundred chapters from the one founded at Longwood College in 1897.

Kappa Delta members, active in all phases of campus life, strive for excellence in scholarship and leadership. They boast Army, Navy, and Air Force sponsors; freshman and varsity cheerleaders; campus senators; an Ole Miss Top Beauty; campus favorites; University Dancers and Singers; members of CWENS; president of Mortar Board; a Senior class officer; members of the OLE MISS and MISSISSIPPIAN staffs; and University Scholars.

Social activities are numerous in the colonial chapter house. The KD's entertain with fraternity swaps, date suppers, and open houses. Kappa Delta's also do extensive philanthropic service, such as a Halloween party for underprivileged children and aid to a young girl from the Methodist Home in Jackson.

The colors of emerald and pearl white and the pure white rose are symbols of the deep sisterhood of Kappa Delta.

Though founded at Monmouth College in 1870, the Delta Rho chapter of Kappa Kappa Gamma was not brought to the University of Mississippi until 1947.

Kappas are active in all phases of University life. Karen Clifford served the ASB as executive secretary and was elected Judicial Chairman of the AWS. Other Kappas who hold offices in the AWS are Calico Maxwell, vice president; Katherine Shaw, executive secretary; and Susan Sharpe, treasurer. Kappas were well represented in the Parade of Beauties and Favorites by Barbara Woodbury and Brenda Rodriguez, top beauties, and by Bobbie Straub and Linda Van Nelms, favorites.

Kappas boast membership in such organizations as Mortar Board, CWENS, Angel Flight, Committee of 100, and religious organizations.

The spirit of Kappa Kappa Gamma is found in the individual girl and the love for her sisters in the bond of Kappa Kappa Gamma—"This is the tie that holds us all together."

Phi Mu, the second oldest sorority in the country, was founded at Wesleyan College in Macon, Georgia, on March 4, 1852. Alpha Delta chapter was established on the Ole Miss campus in 1924.

Phi Mu ladies captured many honors this year: Homecoming Maid, Jackson's Lady of the Realm of the Memphis Cotton Carnival, second alternate to Miss University, fraternity sweethearts, Army and Navy sponsors, and Rebellettes. Phi Mus are also outstanding "Y" members, dormitory officers, CWENS, Alpha Lambda Delta members, Mortar Board members, Concert Singers, and University Dancers.

The members of Alpha Delta chapter are now living in their newly completed Phi Castle at the top of sorority row. The house is New Orleans Riverboat architecture, which achieves a cultural tie to the southern architectural tradition. The new house sleeps forty girls.

Phi Mu has an important place in the heart of each of her members. The warm congeniality that is always found in the Phi Mu house will forever provide wonderful memories to each girl who enters into the bond of Phi Mu sisterhood.

The Golden Arrow of Pi Beta Phi pierced the heart of the Ole Miss campus in October of 1961. Pi Beta Phi Fraternity, the first organization of college women with the aims and policies of a national fraternity, was founded at Monmouth College in Illinois in 1867. From this beginning Pi Phi has grown to include 111 chapters, 332 alumnae clubs and 77,369 living Pi Phi's in the United States and Canada.

Mississippi Beta's primary contribution to the Greeks this year was the completion of their new chapter house on Rebel Drive, better known as the "ski lodge." The dedication of the house took place March 19, coinciding with Pi Phi State Day. Pi Phi's participate in all phases of activities, boasting members in WRA, University Dancers, and the Committee of 100. They are proud of their members on Phi Gamma Nu and Epsilon Gamma Epsilon, business fraternities and in Alpha Lambda Delta, scholastic organization. This year Cindy Morrison served as Navy ROTC Battalion Commander, and Judy Ray served as Panhellenic Treasurer.

The Pi Beta Phi's keep "purpose and honor unbending—in a bond of sisterhood typical of their fraternity.

The seventy-ninth chapter of Zeta Tau Alpha was installed on the Ole Miss campus on April 14, 1939. Gamma Delta chapter was the fifth women's social organization on campus. The fraternity was founded on October 15, 1898, at Longwood College, Farmville, Virginia. It is the only National Panhellenic Conference group chartered by an act of legislature.

Zetas are proud of MarJo Thornton, chairman of the Elections Commission; Katherine Abraham, Vice-President of Panhellenic, and President-elect of the AWS. Alice Mitchell marched with the band as Head Majorette, with several other Zetas in the Rebelette line. Zetas also participate in ASB Committees, University Singers, Committee of 100, and with representatives in honorary groups such as CWENS, Alpha Lambda Delta, and Mortar Board. Lila Smith, who has had major roles in theatrical productions, was honored on a national television in the spring.

The girls of Zeta Tau Alpha are sisters of the crown; their colors are turquoise blue and steel gray. Zeta Tau Alpha has given to every girl who wears the shield a heritage of lifelong privileges and friendships perpetuated beyond the period of college life . . . "Once a Zeta; always a Zeta."

The organization designed to regulate and govern the activities of all social fraternities on the University campus is the Inter-Fraternity Council. The primary function of the IFC is to serve as a governing body of the sixteen fraternities. It is composed of two representatives chosen from each fraternity and is governed by four officers elected from the membership of the council itself. The council meets bi-monthly to discuss the mutual problems of the fraternity system. Another duty of the council is carried out each year in the planning, setting up, and enforcing of rules for fraternity rush.

Throughout the coordination of activities, the IFC attempts to unite the fraternities in a spirit of friendly brotherhood, to promote scholarship, to encourage new fraternities and to develop existing chapters and individuals in the fraternity system.

Alpha Tau Omega is one of the oldest and largest college fraternities. Founded in 1865 by three Confederate veterans, it now has 124 chapters from coast to coast, and over 90,000 initiates.

ATO takes particular pride in its emphasis on good study habits and better than-average grades. This is convincingly demonstrated by ATO leadership scholastically among all "old-line" fraternities, showing ATO first in percentage of chapters above the All-Men's average eight of the last eleven years.

In 1950, ATO originated the idea of "Help Week" wherein challenging community service projects were substituted for humiliating "hell week" activities.

Coming to Ole Miss in 1927, Mississippi Delta Psi Chapter has since grown in size and prestige. The Ole Miss Taus are active in all phases of campus life, including membership in Scabbard & Blade, ODK, scholastic and professional honoraries, religious organization, and student government.

The ATO social calendar includes parties ranging from the "Viking Party" to the annual Spring Formal.

This year was one of significant growth and accomplishment for Beta Beta Chapter of Beta Theta Pi. The pledging of forty men during Rush Week doubled the size of the chapter and gave the Betas their largest membership since pre-World War II days. Another highlight was the completing of the furnishing of the new chapter house in this, its second year of occupancy.

In 1965 the Betas, in addition to leading all Ole Miss fraternities in scholarship for the eighth consecutive semester, won their third Summa Cum Laude Award from the National Inter-fraternity Conference for ranking academically among the top ten fraternity chapters in the nation.

Memorable social events included the Homecoming Dance, the Bavarian Ski Lodge Party, the Wild West Party, and the Spring Formal. Always outstanding in campus leadership, the Betas claimed nine members of Omicron Delta Kappa. Beta campus leaders included chapter President Bill Lipscomb, prominent member of Alpha Sigma Sigma; Cy Faneca, Chairman of the Student Judicial Council; Jess White, President of the Interfraternity Council; Ben Weathersby, Director of ASB Academic Affairs; James Peden, President of Pi Sigma Alpha; and Jimmy Currie, Vice-President of Phi Eta Sigma.

The Chi Chapter of Delta Kappa Epsilon is proud of its history and tradition since its founding in 1850 as the first fraternity on the Ole Miss campus and in the State of Mississippi. Part of the achievement of the Chi Chapter is seen in the importance of its alumni. It has produced such leaders as John W. Kyle, late Mississippi Supreme Court Justice and Henry Minor Fraser, founder of the Ole Miss school of pharmacy.

The Dekes are also proud of their present accomplishments on campus. They have participated in many activities having membership in such select groups as the American Society of Mechanical Engineers, Scabbard and Blade, and Phi Beta Lambda. The brothers of Delta Kappa Epsilon are noted for their accomplishments as hosts, giving some of the best parties in the South.

The founding fathers in 1844 at Yale University established the concepts and ideals which have molded Dekes throughout the years. Each Deke strives to be a "gentleman, scholar, and a jolly good fellow."

Burn, Baby, Burn.

The UFD to the rescue.

Delta Psi, or St. Anthony Hall as it is sometimes known, was founded in 1847, at Columbia University. Eight years later, Phi Chapter was established at Ole Miss.

In its one hundred and eleven years at Ole Miss, Delta Psi has contributed much to both the University and the state. The first editor of the **Ole Miss**, Judge Garland Lyell, and the first captain of the Rebel football team, Judge William Hemingway, were Delta Psi's. Some other illustrious alumni are the late Governor Hugh White, late Secretary of War Luke Wright, and Speaker of the House in the Mississippi Legislature, Walter Sillers. On campus today, Delta Psi still retains its touch by having the President of the School of Engineering and the President of the State-wide Canterbury Association as members.

Among its many firsts, Delta Psi lists having the first fraternity house in the state. Also, it claims a couple of "lasts." It is the last fraternity to still maintain traditional secrecy and is the last campus fraternity to have had its house burned.

Though it holds social activities in high esteem, Delta Psi has a flair for the unusual. This year's social calendar was quite filled with everything from an impromptu homecoming house warming party and pep rally to the annual Saints' and Angels' Ball in the spring. Needless to say, after homecoming all parties were held off campus.

Homeless and happy, Delta Psi has been pulled through another eventful year by its phantom leaders.

Founded at Washington and Lee University in 1865, the Kappa Alpha Order has spread throughout the South, having 84 chapters below the Mason-Dixon line.

The KA's have contributed much to the progress of the University of Mississippi since coming here in 1900. All the leaders they have produced have exemplified the principles of the South, on which Kappa Alpha is based. The KA's now have such prominent members as Jim Martin, President of the ASB and member of ODK; Mitch Thrower, President of the Arnold Air Society; and Bobby Beasley, Student Director of Publicity.

Noted for their outstanding hospitality, the KA's produce many important social events each year. Among these are the old South Ball, the Rose Ball, and the Hayseed Party.

The brothers of Kappa Alpha fraternity are well known for living by the traditions of the Old South.

Kappa Sigma was born in the western world in 1869, shortly after the Civil War. Its historic and traditional beginnings, however, were not in the West, but in the eastern hemisphere, not years—but centuries ago. For modern Kappa Sigma has its roots in a secret society which existed in Italy and France from about the year 1400. On October 8, 1926, the Delta Xi Chapter of Kappa Sigma was established at the University of Mississippi.

Kappa Sigmas are outstanding members of the Ole Miss campus. Showing capable leadership are "Colonel Rebel", Smitty Williams; ASB Treasurer, Donnie Brock; ASB Publicity Chairman, Joe Garrison. Supporting the Rebels are Lamar Black and Richard Warriner, Freshman Cheerleaders.

Without a doubt, the Kappa Sigs have the best parties on campus. Their parties feature some of the best entertainers in the business. Their busy social calendar ranges from Founders' Day Banquet to the Stardust Ball in the Spring.

Mississippi Alpha of Phi Delta Theta has attained an outstanding record since its influx on the Ole Miss campus in 1877. The chapter has received national recognition for many years. For four of the past seven years it has been awarded the Founders Trophy, signifying the outstanding Psi Delta Theta chapter in the nation. On the Ole Miss campus the Phi Delt's have also made many contributions. The chapter has acquired the 1965 Sing Song trophy, the 1965 Intramural Football Championship, and the overall Dixie Week trophy.

The Phi Delt's take pride in many of their brothers for their participation in campus activities. Included among these are Gene Fair, Editor of the **Mississippian**, and member of the Hall of Fame; Jimmy Love, President of the School of Business and Government; and Allen Yates, Co-Chairman of the Committee of 100.

Dwelling in one of the most stately houses on campus, the Phi Delt's have proved their worth in many ways.

Phi Kappa Psi was founded in 1852 at Jefferson College in Canonsburg, Pennsylvania, and gained its first chapter in the Deep South in 1857 with the establishment of Mississippi Alpha Chapter.

Today Phi Psi's hold many positions of leadership on the Ole Miss campus. Dick Brock serves as President of the IFC; Chuck Ritchie is President of the Junior IFC; and Hal Sloas is President of the Intramural Council. Phi Psi is also well represented in ODK, Phi Eta Sigma, and honorary societies in all the departments of the University. Fred Bourn was recognized as the outstanding student in the School of Business and Government for 1965-66.

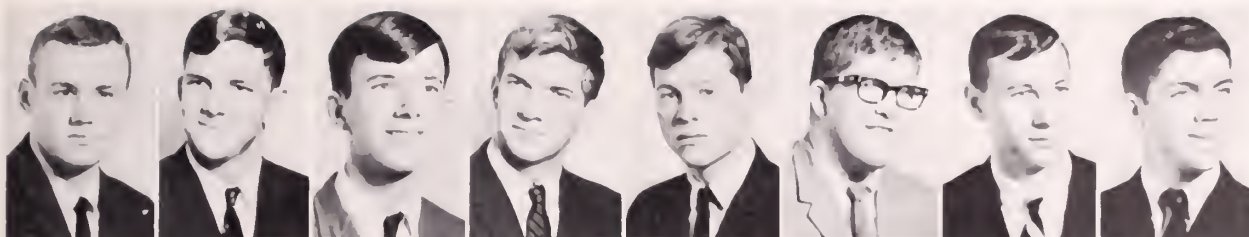

Phi Psi has a full social calendar, from chapter and pledge swaps to the annual formal, the Jacqueminot Rose Ball. The chapter also excels in athletics and holds the overall small fraternity sports championship for last year.

In every campus activity, the brothers of Phi Kappa Psi are found among the leaders and contribute much to student life at Ole Miss.

Theta Kappa Phi and Phi Kappa united in September of 1958 to become the new national social fraternity for Catholic men. In May of 1959 the Ole Miss Chapter proudly assumed the name of Mississippi Chi Chapter of Phi Kappa Theta.

Chi chapter has endeavored to provide a complete education for the Catholic university men. This education goes beyond the scope of classroom activities.

PKT's official flower is the red rose and the colors are cardinal purple, white, and gold. The members try to manifest a public spirit and lively interest in all that concerns the life and welfare of the school.

Six Confederate officers founded the Pi Kappa Alpha fraternity in 1868 at the University of Virginia. In 1927, the shield and diamond was brought to Ole Miss resulting in Gamma Iota Chapter. In 1958, the Pikes built a stately colonial mansion on New Fraternity Row.

Pikes have demonstrated their interest in school affairs this year by representatives in the Arnold Air Society, Committee of 100, ODK, and several varsity sports. Cecil Brown serves as Treasurer of the ASB while Larry Cunningham is Vice-President of the Inter-Fraternity Council.

The Roman Ball, Playboy party, and Dream Girl Formal are highlights of the Pike social season. The Pikes also participate annually in a Christmas party for underprivileged children in the Lafayette County area.

Pi Kappa Alpha is truly an alliance of men who demonstrate their motto: "At Ole Miss, Pi Kappa Alpha means Leadership."

Sigma Alpha Epsilon was founded March 9, 1856, at the University of Alabama and soon spread throughout the land. The lion's roar was first heard at the University of Mississippi in 1866 when Mississippi Gamma Chapter was founded. Since that beginning, SAE at Ole Miss has contributed some of Mississippi's and the South's finest leaders. Men such as L. Q. C. Lamar, U.S. Supreme Court Justice; William Faulkner, Nobel and Pulitzer Prize winner for Literature; Governor Paul Johnson; and Lieutenant Governor Carroll Gartin are Mississippi Gamma alumni.

While celebrating its 100th anniversary at Ole Miss this year, Mississippi Gamma can look with pride to its accomplishments in the past and in the present. This year Donny Jones was elected President of Omicron Delta Kappa, Tommy Ford was the ASB Director of Social Affairs, and Rayner Graeber was a Justice on the ASB Judicial Council.

With heavy emphasis placed on leadership, scholarship, athletics, social and campus affairs, SAE at Ole Miss looks forward to a bright and promising future.

Sigma Chi came to the University of Mississippi two years after its establishment at Miami University, Oxford, Ohio, in 1955. Eta Chapter at Ole Miss has inherited a rich tradition and for its accomplishments has been called, "The Standard Bearer of the South."

Sigma Chi's members are found in numerous honor societies including Phi Eta Sigma, Phi Kappa Phi, and ODK. This year two Sigma Chis, Horace Lester and Robert Montjoy, were elected to the Hall of Fame. Six Sigma Chis, Marshall Bennett, Stan Hindman, Horace Lester, Robert Montjoy, Bobby Seibels, and David Wells, are listed in this year's Who's Who Among Students in American Universities and Colleges.

In varsity football, basketball, track, and baseball, Eta Chapter is well represented. Sigma Chi also participates in an enthusiastic intramural athletic program.

Eta Chapter maintains a heritage of high achievement dating from its founding at the University of Mississippi over one hundred years ago. The continued search for excellence in academic work and extracurricular activities is the goal of Eta Chapter of Sigma Chi.

Sigma Nu Fraternity was founded on the ideals of Love, Honor, and Truth on January 1, 1869, by three cadets of the Virginia Military Institute. In the following century Sigma Nu has grown to be one of the larger national fraternities with 139 chapters across the nation.

Epsilon Xi Chapter at Ole Miss received its charter in 1927. Through the efforts of loyal alumni and dedicated active members, it has become an outstanding fraternity on a campus with many fine fraternal groups.

Sigma Nu continues to rank among the best at Ole Miss, as this year has shown. The "snakes" look with pride to their twelve members of ODK and Rees Bowen, ODK President. Billy Gottshall is presently serving as ASB Director of School Spirit, Bo Roberts as Vice-President of the Student Body, Ed Snyder as Chairman of the Judicial Council, and Bernard Puckett as Vice-President of the Senior Class. Claiming a large membership in Phi Kappa Phi and Phi Eta Sigma and the highest scholastic average among the large fraternities, Sigma Nu's are justly proud of their academic achievements. In addition to two freshmen cheerleaders, the "snakes" claim two varsity cheerleaders. Social life is an integral part of the chapter with such events as the "Roaring Twenties" Weekend and the White Star Ball.

Mississippi Alpha Chapter of Sigma Phi Epsilon Fraternity, second largest national fraternity in the United States, was founded at Ole Miss on June 2, 1928. Since then the Golden Heart of Sigma Phi Epsilon has seen an active life at Ole Miss.

The scholarship program of SPE is one of the most outstanding in the nation. Under the leadership of Dr. U. G. Dubach, National Scholarship Director, the Sig Eps remain among the top 25% of the national fraternities scholastically. The Clifford B. Scott Key, for the highest average in each chapter, and the Dubach Award, for the greatest scholastic improvement, are among the awards which are presented each year.

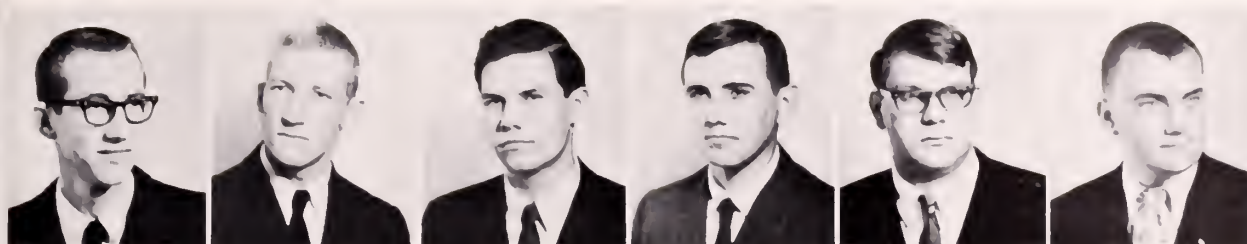

Highlighting the annual social calendar this year was the annual Queen of Hearts Ball. Other events of major significance were the Hawaiian Luau and the Cowboy Party.

The tradition and pride of Sigma Phi Epsilon will soon be intensified on the Ole Miss campus as the brothers of Sigma Phi Epsilon prepare to construct a new home, soon to be the showplace of Fraternity Row.

Sigma Pi Fraternity was founded at Vincennes University on February 26, 1897. Alpha Chapter and the Grand National Headquarters are still located in Vincennes, Indiana. Growth was slow at first, but in the last five years, Sigma Pi has been the fastest growing national social organization. In 1965 twelve new chapters were formed. Only in the last 20 years has Sigma Pi come into the South. The majority of the 81 Sigma Pi chapters are located in the Big Ten schools and in California.

Beta Mu Chapter at Ole Miss received its charter in 1953.

Some of Sigma Pi's outstanding Alumni are Walter Shirra, U.S. Astronaut; Willard Kiplinger, Author and Correspondent of the Kiplinger Letter of Washington; Larry Grantham, All-Pro lineman of the New York Jets; and Curtis Shake, Chief Judge at the Nuremburg trials.

Highlights for the year consist of the Annual Orchid Ball, Nationwide Sigma Pi blood drive, Founder's Day Ceremony, and the usual parties, swaps and Intramural sports activities.

This organization is composed of two pledges from each fraternity. These representatives are selected by their individual pledge classes and serve for the entire year. The council is also composed of two representatives from the Senior Interfraternity Council who are elected to serve as advisors of Junior IFC for organizational purposes.

The purpose of the Junior Interfraternity Council is to instill in its membership the principles of the fraternity system. In doing this, the representatives may give to their individual fraternities an incentive to improve standards, thereby cultivating a better environment where manhood may flourish. The council also acts as a service organization, carrying out projects designed by the Senior Interfraternity Council.

## Military Science

The Department of Military Service is a General Military Science Unit of the Senior Division Reserve Officers Training Corps. Training is conducted under the direction of the Professor of Military Science and his staff of officers and non-commissioned officers in accordance with the programs and directives established by the Department of the Army.

The mission of the Army Reserve Officers Training Corps is to prepare college students for positions of leadership in the Army and to commission as junior officers those students who display the qualities and attributes essential to their progressive and continued development as officers in a component of the United States Army.

The Reserve Officers Training Corps is organized as a brigade consisting of two battalions of three companies each. The Brigade Commander, Cadet Colonel James O. Hawkins, and the Brigade Staff are responsible for conducting the leadership laboratory and general supervision of brigade activities. The Brigade Commander and Staff are selected on the basis of their academic and military scholastic standing and their demonstrated leadership potential both on the campus and during summer training at Ft. Bragg, North Carolina.

The Army Sponsor Corps is established for the purposes of fostering patriotism, responsibility, and cooperation within the cadet corps; developing leadership; maintaining high moral standards and character; and promoting military, civic, and social activities.

The ranking Sponsor or Colonel's Lady, Miss Lassie Cooke, directs the Sponsor Corps. The Colonel's Lady also presides over the Military Ball and their brigade sponsored activities.

## Naval Science

The Naval Reserve Officers Training Corps was established at the University of Mississippi in June of 1946 for the purpose of training carefully selected young men for commissions as Ensigns in the United States Navy or as Second Lieutenants in the United States Marine Corps.

The Department of the Navy pays for four full years of college for those who are enrolled as Regular Students in the program. A student may become a Regular by passing nation-wide competitive examinations, both physical and mental. A student who fails in this may become a Contract Student by applying directly to the unit on campus and passing a physical examination. A Contract Student receives a monthly subsistence his last two years.

The University of Mississippi is proud to be one of fifty-two colleges and universities in the country who have this program.

The highest honor that can be bestowed upon an advanced military cadet is membership in the national society of Scabbard and Blade. Membership in this famous military organization is based on a person's display of high personal integrity, outstanding leadership ability, good scholastic record, military interest, and active participation in other campus activities.

Scabbard and Blade works constantly to promote increased mutual understanding and a closer relationship among the three military departments on the Ole Miss campus. This purpose is achieved by inviting members of the military staff of the University to speak on informative military topics. Along with reports and films, each member receives a greater awareness of and interest in our military services. This group also seeks to develop fully the qualities of efficient and capable officers necessary for strong and able armed forces.

Company "B", Eighth Regiment, was founded on the University of Mississippi campus in 1940 and has been very active since its founding.

ATHLETICS

In the last two decades the Ole Miss Rebel football teams have brought pride and recognition to Ole Miss and its Athletic Department. Ole Miss fans are also proud of its baseball team. But emphasis on basketball, track, golf, and tennis is almost non-existent; the completion of the Coliseum for basketball shines as the only bright spot in these four sports.

Ole Miss offers every student the chance to participate in a wide range of athletic activities through its intramural program.

Claude M. (Tad) Smith, Director of Intercollegiate Athletics.

John Reed Holley, Business Manager of Intercollegiate Athletics.

Jeff K. Hamm, Business Manager Emeritus of Intercollegiate Athletics.

John Howard Vaught, Head Coach of Intercollegiate Athletics.

## The Ole Miss Coaching Staff

The Ole Miss coaching staff, one of the winningest ever assembled, has been a unique feature among coaching organizations. It not only has to its credit success in carrying out many winning seasons but also the longevity with which the group has held together at the University. This could be attributed to the fact that eight of its eleven members are graduates of the University of Mississippi.

Head coach John Howard Vaught has become one of the most successful coaches in the history of football. Nationally, he is outranked by only one coach. Since his regime took over in 1947, they have ruled with 149 victories, 41 defeats, and ten ties. Vaught's SEC record is 83-29-8. The bowl record is 8-5.

Assisting Vaught have been ten well-qualified assistants. Serving with him are Frank M. (Bruiser) Kinard, offensive line coach, Ole Miss, 1938; James E. (Buster) Poole, defensive line coach, Ole Miss, 1937; John Cain, offensive line coach, Alabama, 1933; John A. (Junie) Hovious, defensive backfield coach, Ole Miss, 1942; J. W. (Wobble) Davidson, assistant coach, Ole Miss, 1942; Ray S. Poole, assistant coach, Ole Miss, 1947; Roland Dale, end coach, Ole Miss, 1950; Edward Crawford, assistant coach and basketball coach, Ole Miss, 1957; and Robert (Billy) Mustin, assistant coach, Ole Miss, 1950. Thomas K. Swayze, Ole Miss, 1933, is contract representative and baseball coach. Wesley (Doc) Knight, Springfield, 1935, is athletic trainer. Another Ole Miss graduate, Billy Sanders, is the equipment manager.

A 34-14 conquest of Memphis State spoiled the dedication of the Memphis Memorial Stadium and launched Ole Miss' 1965 football season. Scheduled results ended with a 21-0 blanking of the Rednecks of State College.

Start to finish, there were six victories and four defeats. After four games the record was 1-3. In eight SEC games the record was 5-3, good for fifth place in final Conference standings.

The strong finish was a tribute to the painstaking, dedicated coaching by Johnny Vaught and his staff, and unrelenting efforts by a young squad which grew more cohesive with each Saturday.

Initially, Vaught was speculative over two major issues in outlining team prospects. One had to do with quarterbacking in that the Rebels did not possess an established T-conductor. The second factor dealt with essential progress on the part of 26 sophomores. In the complete change-over to platoon football, a multitude of rookies had to be assayed, positioned, and developed.

It was far from the most rewarding season in Ole Miss's annals, but it was one of the finest campaigns from the standpoint of essential development and progress. Without a sound platoon nucleus in September, Reb coaches and players built that and more during a season which found them gaining in stature from game to game.

The 1965 Ole Miss Rebels made their debut in fine form, crushing Spook Murphy's Memphis State Tigers 34-14 in the dedication ballgame of the new Memphis Memorial Stadium.

Roaring from behind as a result of a 46-yard TD-pass from Fletcher to Cardill, Vaught's Vikings chalked up one touchdown in the first period, then 27 points in an awesome third quarter. Leading the point barrage was guard Jimmy Keyes, who booted two field goals and three extra points, but the big thriller was Doug Cunningham's 75-yard punt return.

The second half was rather anti-climatic, with Vaught giving his reserves experience that could be valuable later. The Rebs stuck mostly to the ground; Mike Dennis was the leader with 83 yards. One down, nine to go.

One freak play insured the Wildcat victory that knocked the Rebels from the ranks of the unbeaten. Leading only 9-7 with 2:00 left in the game, with fourth down and 41 yards to go deep in his own territory, Kentuckian Larry Seiple took a high pass from the center and raced 71 yards for a touchdown.

The Cats had gone out front 6-0 in the first period on a 28-yard pass from Norton to Seiple, but the Rebs surged back with Heidel going over from the one to climax a 52-yard drive and Keyes booting the extra point. This lead held until John Andrighetti kicked a 27-yard field goal late in the third period.

Street led the Rebs in rushing with 54 yards in 15 attempts. Heidel made 45 yards in 12 carries, and Wells made 32 in three attempts.

Coach John Vaught's boys nearly scaled the pinnacle of football glory in Birmingham, only to be toppled into a second straight SEC defeat in the closing minutes of the game. Alabama's Steve Sloan was at his all-star best in the Tide's 17-16 come-from-behind victory over the Rebs, by completing 12 of 18 passes for 127 yards and scoring on runs of 14 and nine yards.

The Rebs started with a bang, leading at one point 9-0 and later by 16-7. But Bryant's Bruisers would not quit, fighting back once, twice, and then again, scoring the winning touchdown after a drive covering 89 yards late in the fourth period.

Ole Miss was as good as Alabama. Heidel, playing his best game, hitting nine of 13 passes. Mike Dennis looked like a pro. But the defense made a few mistakes. You don't make mistakes against Alabama and win.

Emotionally drained by their heroic battle with Alabama the previous week, the Rebels dropped their Homecoming tilt with Florida, 17-0, the first such Homecoming defeat in sixteen years. The Rebs, never able to mount any serious offensive threat against the tough Gator line, spent most of the afternoon chasing Florida pass receivers—for the most part unsuccessfully. Steve Spurrier, Florida's stellar quarterback, personally provided most of the afternoon's action, completing 18 of 25 passes, throwing for one touchdown and running nine yards for the other. No Ole Miss player came close to this performance. Quarterbacks Heidel and Walker completed only five passes for a meager 15 yards, and the Rebels gained only 85 yards on the ground. The lone bright spot for the thirty-odd thousand Rebel supporters was big Jim Urbanek, a 240-pound sophomore who was credited with a fantastic 17 unassisted tackles.

Tackling done the hard way.

Ole Miss snapped the longest losing streak it has ever had under Johnny Vaught—three games—by defeating Tulane 24-7.

Scrappy Tulane, a perennial toughie, shocked the Rebels by driving 47 yards behind sophomore quarter back Bobby Duhon for a touchdown and a 7-0 lead. The outmanned Greenies stayed in the thick of the fight until Ole Miss' depth wore them down in the latter stages. The score at the end of the third quarter favored Ole Miss by three points.

Mike Dennis slashed through Tulane defenders for two touchdowns to highlight the Rebels' attack. Jim Urbanek was a defensive standout.

This win was the first SEC victory of the season for the Rebels, and it will probably be the last victory ever over Tulane. The Greenies are withdrawing from the SEC this year.

Although the offense scored the necessary points to give Ole Miss a 24-7 victory over Vanderbilt, it was the Rebel defense which stole the show at Hemingway Stadium. For the fast 60 minutes of action, the Commodores netted exactly 56 yards on a total of 57 plays—something less than one yard per attempt.

Ole Miss' first score came in the second quarter on a 26-yard sprint by Doug Cunningham, and a Keyes' field goal made it 10-0 at the half. In the third quarter Fleming scored on a Heidel pass play that covered 68 yards, and Dennis went in from the two to make the score 24-0. Vandy's lone tally came in the fourth period against the Rebel reserves.

Heidel led Rebel rushers with 37 yards in 12 carries. Defensively, Keyes was tops with 12 stops. James Garner and Jim Urbanek both had eight while Brent Caston had six.

The coaching staff works personally with the players in giving criticism and praise.

The resurgent Ole Miss Rebels racked up their third straight conference win, and alumni scowls of early October turned to lusty cheers in Jackson by the upset rout of the highly-rated LSU Tigers. It was a team victory for the Rebels, but halfback Mike Dennis was the star of the show, scoring two touchdowns and running for 61 yards in the process. The humiliated Bengals managed to gain a meager 52 yards to the Rebels' 227.

Ole Miss struck early like a hungry heavyweight, stinging LSU with a field goal by tackle James Harvey. Dennis added his first touchdown before the half, and the Rebs led 10-0. In the third quarter Dennis went over again from the five. The coup-de-grace was added with 9:59 left in the game when linebacker James Mike Nelson intercepted an LSU pass and ran for the final TD.

It was a splendid afternoon in Jackson.

Burris-to-McVea, it was called, and it was the most disastrous combination to hit Ole Miss since McShane and Meredith arrived in Oxford in 1962. McVea caught six passes for two touchdowns and a record-breaking 201 yards in the 17-3 upset of the inconsistent Rebels.

Ken Herbert of Houston and Jimmy Keyes of Ole Miss matched first-half field goals. Both Houston touchdowns came in the second half on Burris-to-McVea bombshells, one covering 80 and the other 84 yards.

The Houston defense, led by linebackers Mike Payte and Joe Rafter, stopped the Rebel rushing game at a net 59 yards. Fullback Bobby Wade gained 63, and tailback Mike Dennis gained 50, but Jimmy Heidel had minus 15, Walker had minus 21, and Cunningham had minus 8.

The game, played indoors in the Astrodome, was a shocker for the Rebels, who had won three straight SEC contests after early-season setbacks.

The on again-off again Ole Miss Rebels came on in Memphis to earn a 14-13 upset victory over previously undefeated Tennessee. Mississippi shocked the Vols, a crowd of 40,000, and a regional television audience by rallying behind sophomore quarterback Joe Graves in the come-from-behind win. Graves piled up big yardage, running and throwing, and came up with the big play that finally broke the game open—an eight-yard gainer to the one-foot marker when the Rebels faced a fourth-and-one situation in the last quarter.

Kick-off and punt-return specialist Doug Cunningham was another hero for the Rebs, setting up the first Ole Miss touchdown on a 69-yard kick-off return to the Tennessee 23. Defensive standouts were Urbanek, Maddox, and Garner.

The victory earned for the Ole Miss team an informal invitation to the December 18 Liberty Bowl in Memphis.

Turning point for the Rebels—Clay's interception.

The Rednecks never had a chance against the fired-up Rebels as altar-bound Jimmy Heidel led his Liberty Bowl-bound ball club to a 21-0 drubbing of arch-enemy State on Scott Field at Starkville. With the offense clicking as it hasn't all year and the defense looking like a bunch of Jim Urbaneks, the Ole Miss Rebels ended its regular season by avenging last year's upset and returning the Golden Egg to its familiar nest.

The Rebels scored twice in the first half—once on a 50-yard pass interception by the fleet Billy Clay, and again on a run by Mike Dennis that capped a 94-yard drive. The final tally came in the fourth period following the recovery of a fumbled punt on the Maroons' six-yard line.

Mike Dennis was the game's top ground gainer with 76 yards to his credit.

One explosive moment early in the second half rocketed Ole Miss to a 13-7 triumph over Auburn and launched the Ole Miss Rebels to their eighth win in fourteen bowl appearances at the Liberty Bowl in Memphis.

Down 7-3 and unable to generate a consistent attack in the first half, the Rebels ripped Auburn with nine running plays marching 59 yards for the decisive touchdown. The march consumed the first five minutes of the second half and was started by Doug Cunningham's 29-yard return with the kickoff and climaxed by his reception of a six-yard pass from Jody Graves. A field goal by Jimmy Keyes staked Ole Miss to a six-point lead early in the quarter.

The Rebels, playing their 200th game under John Vaught's direction, placed this lead in the hands of their crack defensive unit as they routinely kicked the ball to Auburn near the mid-way point of the final quarter.

From the Auburn 36, the chilled crowd of 38,607 saw the Tigers drive to the Ole Miss nine-yard line with 33 seconds to play and a come-from-behind victory. However, on fourth down and needing one for the first, Auburn quarterback Alex Bowden elected to pass and was swarmed by Reb defenders Jimmy Keyes and Marvin McQueen. This play halted the Auburn march and gave Ole Miss the victory.

## Basketball

Inconsistency seems to be the word that sums up this year's abundance in the deficit column. The Ole Miss cagers finished with a 5-18 performance overall, claiming one more victory than last year's squad.

The Rebels opened the season winning and ended it defeated. Arkansas A & M was the first of the few wins amassed by the Rebels, winning by a score of 72-71. Then followed losses to Texas, 80-71; and Centenary, 78-64. Louisiana Tech provided the second win for the Rebels in an 84-76 victory. Mississippi Southern was a 94-75 victim. The fourth triumph of the season came with a close 81-80 win over LSU. A losing streak followed, being defeated consecutively by Tennessee, 102-55; Vanderbilt, 106-58; Georgia, 91-71; Auburn, 70-55; Alabama, 79-60; Tulane, 83-70; and Mississippi State, 90-74. Before almost 6500 fans in the first game in the Coliseum, the nation's number one team, Kentucky, downed the Rebels 108-65. Tulane ended the drought with a 91-70 win by the Rebels. The remainder of the season went down in defeat to Auburn, 86-74; Alabama, 99-66; and Mississippi State, 96-76.

The Rebels ended up in the cellar of the SEC, but they had the company of LSU, who finished with an identical record of 2-14 in the loop.

"What do you mean I fouled him?"

Eddie Dunn scrambles for rebound against Kentucky.

Two hands are always better than one.

This was Coach Eddie Crawford's fourth season at Ole Miss, and all have been equally dismal. Although he always has bright prospects at the beginning of the season, they somehow fade by the end.

The team was composed of sophomores Larry Martindale, 6-0 guard; Quay Parks, 6-3 forward; Brad Hovious, 6-2 guard-forward; Jim Moran, 6-4 forward; Randy Harvey, 6-6 center; and Ronnie Wall, 6-4 forward. Junior players were Bill Poland, 6-2 guard, and Charles Burhorn, 6-6 center. The four seniors were Glenn Lusk, 6-2 guard; Mickey Williams, 6-3 forward; John Partridge, 6-6 forward-center; and Eddie Dunn, 5-11 guard. The two forced to drop out were Fred Stanley, knee injury and surgery, and Ronnie Aldy, a scholastic casualty.

If new environment and winning basketball go hand-in-hand, the Ole Miss basketball has a brighter future with the new 8500 capacity Coliseum, the state's largest basketball arena, and the very promising freshman team.

# 1965 Baseball

The Rebels put together their first losing worksheet since 1948 and only the third deficit report during Coach Tom Swayze's 15 seasons in compiling a 10-12 record. However, they won seven of their last ten games and finished 8-7 in SEC results, good enough for third place in the final Western Division SEC standings.

In 1963-64 Ole Miss won conference titles but operated last spring with brand-new infield and outfield combinations. They were pitcher-rich in preseason estimates, but sore arms hampered the two holdover aces, Richie Prine and Russ Johnson, throwing much of the burden on sophomores.

Prine, 7-0 in 1964 with a 1.10 earned run average and an All-SEC selection, finished 3-2 and 3.65. Johnson, 5-0 with a 1.50 ERA, dropped to 3-3 and 5.64.

First baseman Jimmy Yawn, All-SEC sophomore, led Ole Miss hitters with a .365 average and 29 RBI's. He was a pitching candidate at the start of preseason training, opened the season at second base, then transferred to first when Billy Sumrall returned to second after a

trial at shortstop. It was Sumrall's third straight season as a Conference All-Star at second base. Right fielder Charlie Williams was the other Rebel gathering All-SEC recognition.

Williams stole bases at a near-record clip, pilfering 19. Sumrall finished with 16.

Yawn led in doubles with eight and tied with left fielder Jan Adelman, a converted pitcher, for most home runs with four. In the home run department, Jerry Rickard created the fervor that N. Y. Yankee John Blanchard did when he came out of the dugout to win a game in the last inning.

Williams ranked third in hitting at .273 and clouted seven doubles. Centerfielder Rocky Fleming, hitting .256, and Sumrall had five two-baggers each. Third baseman Dave Jennings led the club with triples with three.

In SEC results, the Rebels went 8-7 in going 3-1 against Alabama and LSU, 1-3 against champion Mississippi State, and 1-2 against Tulane. It was Tulane's first series win since 1952.

Coach John Hovious' 1965 shotmakers compiled a 3-1-3 record in match results including a 2-1 repart against SEC members Vanderbilt, 16-11; Mississippi State, 16½-10½; and LSU, 4½-22½. The season sixsome displayed first-rate balance on their way to a commendable record offering a bright future.

In addition to the fine season showing, the Rebel linksmen placed ninth at the LSU Invitational Tournament and placed third at the Mississippi Intercollegiate bout.

The 1965 Ole Miss golfers are Jimmy Hoppen of Bogalusa, Louisiana; Johnny Dement of Meridian; Bobby Parker of Meridian; Dick Beharrell of West Concord, Massachusetts; Terry Schad of Peoria Heights, Illinois; and Don Fruge of Meridian.

## 1965 Tennis

The Rebel tennis team this season had much to be desired in compiling a 2-1 match-play record and an 0-3 result against SEC competitors. With four sophomores gaining letterman recognition, the future of Ole Miss tennis for the next two years looks potentially bright.

Coach John Cain had two juniors to win M Club status — Bill Hovious of Oxford and Walter (Hap) Woodson of Key West, Florida, who is the lone holdover letterman. Sophomores were Mike Baier of Meridian, Thorne Crosby of Greenville, Balfour Lipscomb of Vicksburg, and Al Felder of Summit. Sam Phillips of Fort Smith, Arkansas, rounded out the 1965 Ole Miss tennis team.

## 1965 Track

Ole Miss' entries into four track events were limited, partially because of injuries. But Coach Wes (Doc) Knight had tremendous individual achievements from one Bill Clay of Pearl, a former state champion hurdle jumper and pole vaulter. In the second meet of the season, he long-jumped 23' 10¼" to erase the old record of 23' 8¼" established by Dick Bauman of McComb in the 1941 SEC meet. In this quadrangular gathering in New Orleans, Ole Miss ran against Tulane, LSU, and Mississippi State and finished last.

At the Invitational Southwest meet on April 18, the 100-yard dash and broad jump were the only bright spots for Ole Miss. Clay, a regular one-man team, busily came up with victories in these two events, 9.9 and 22' 8¾" respectively. Jim Urbanek placed fourth in the discus event and third in the shotput.

Coach Knight also entered Mike Dennis in the 220 yard dash, James Saul in the quarter-mile, and Dennis again in the hop, step and jump. Dennis, Mike McElhaney, J. W. Jones, and Clay comprised the 440-yard relay foursome.

A pulled leg muscle for Doug Cunningham and abdominal surgery for Jimmy Heidel handicapped both sprinters all season. A leg injury, sustained early in the season, slowed 220-yard and relay sprinter Dennis.

The Ole Miss "M" Club of the University of Mississippi is composed of those men who have participated and lettered in one of the inter-collegiate sports at the University.

Only the members of the "M" Club are qualified to wear the Ole Miss "M", which designates these men as winners of the athletic award.

The purpose of the Club is to promote sports and sportsmanship at the University. Its members assist in the recruiting of high-school athletes for the University.

The "M" Club's big project is the handling of the spring football intra-squad game held each year in March. Their main social event is the annual Christmas party.

With the aid of the Club's alumni, the "M" club also sponsors the All-American scholarship which is given each year to one deserving high-school boy who is to enter athletics at Ole Miss.

THE OLE MISS MARCHING BAND.

## Ole Miss Band

The Ole Miss Marching Band and Rebelettes have traveled thousands of miles this year in supporting the Rebels and boosting the University of Mississippi's national fame. Under the leadership of Mr. Lyle Babcock and his assistants, Ronald Theilman and Walter Johnson, the Rebel band has continued its appearances on national television as one of the top college bands in the country.

The showmanship of the band has produced halftime shows long to be remembered by Ole Miss students,

fans, and opponents. Performances were those in competition with the "Million Dollar Band of Alabama", the "Famous Maroon Band", and in the Liberty Bowl against Auburn.

Mr. Babcock's band began the season by leading thousands of Ole Miss students to Memphis for the killing of the "Tigers." They also made a memorable showing at the annual Welcome Rebel Party.

Mississippi has truly been made famous all over the world by the Ole Miss Marching Band and Rebelettes.

All right, you guys, we're going to play it like this."

The Fraternity Intramural Council plans and directs all the intramural activities in which the social fraternities participate. The Council is composed of two members from each of the sixteen social fraternities on campus. Among the duties of the Council are arranging schedules, compiling results, determining the eligibility of athletes, and interpretation of rules of all sports involved.

The fraternity athletic season begins during the fall semester with touch football, probably the most hotly contested sport. During the remainder of the year the Greeks go out for basketball, bowling, softball, tennis, table tennis, and other sports.

The fraternities are divided into two leagues which compete for the league championship. Points are given for each victory in a major sport—basketball, football, and softball—and for each over-all championship in a minor sport. At the end of the year the fraternity compiling the highest number of points is presented the intramural championship trophy.

In this game it's anybody's ball.

## Alumni Association

The University of Mississippi Alumni Association has made great strides since its first recorded meeting on September 16, 1853. The name at that time was simply the Alumni Society with Mr. John L. Webb serving as president pro-tempore. In 1867 the organization was referred to for the first time as an association, with meetings held on the campus and in Oxford thereafter for a number of years. The usual attendance at these meetings ranged from ten to thirty people.

In June, 1924, Mr. J. K. Hamm was elected the first Alumni Secretary. In 1947, Mr. William S. Griffin was employed as the first full-time Alumni Secretary, and in his first year the plans for the Alumni House were conceived. The Alumni House was financed by contributions of the alumni of Ole Miss and a revenue bond issue which was presented to the University on October 20, 1951. It was dedicated to the memory of those alumni and former students who gave their lives in the wars of their country.

New officers of the Alumni Association are installed each year at the annual Homecoming game. Active membership has increased to over 10,000.

## Rebel All-Stars

ACADEMIC

The University of Mississippi is a community of teachers and students bound together to secure the chief goal of serious college students, scholarship. The University of Mississippi is dedicated to the service of Mississippi and the nation through the threefold functions of research, teaching, and public service.

The faculty and curricular of the University are organized into a college and eight schools. The institution as a whole and, where appropriate, its subdivisions are recognized by regional and national organizations and accrediting agencies. The University is accredited by the Southern Association of Colleges and Schools, of which it was a founding member.

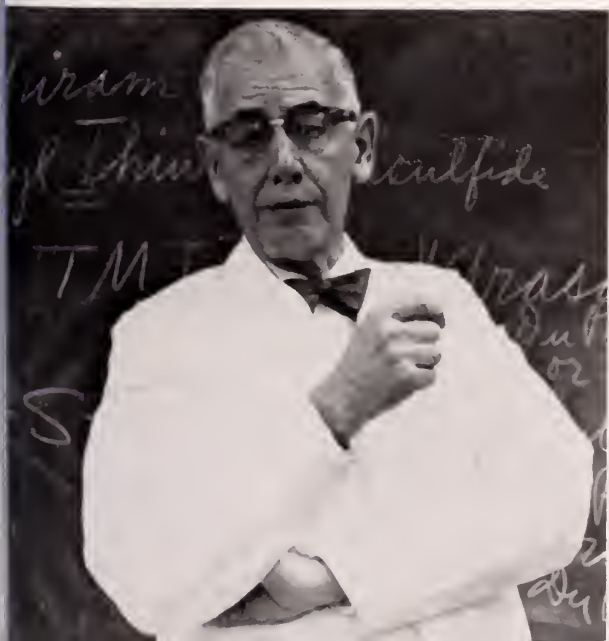

The University encourages scholarly production among the faculty and graduate students in all areas of research by securing financial support from both University funds and outside agencies. The University also maintains special departments devoted to research in business and government.

## ADMINISTRATION

## Governor

The Honorable Paul B. Johnson, the Governor of the State of Mississippi, is the son of the late Governor Paul B. Johnson, to whom the Paul B. Johnson Commons was dedicated in November of 1965.

Governor Johnson, born in Hattiesburg, attended Ole Miss where he compiled an excellent record in both scholastic and extracurricular activities. While at Ole Miss he held membership in the Hall of Fame, Blue Key Honor Society, and Omicron Delta Kappa. He is the only person who has served as President of the Ole Miss Student Body and as Governor of Mississippi.

In 1940 Governor Johnson was admitted to the Bar after having received his Bachelor of Law degree from Ole Miss. In 1959 he was elected Lieutenant Governor and in 1963 he was elected to the highest state office.

The government of the University of Mississippi and of the other institutions of higher learning of the State of Mississippi is vested in a Board of Trustees appointed by the Governor with the advice and consent of the State Senate.

The Board is composed of twelve men who serve staggered terms of twelve years each. The Board elects one of its members as President of the Board and appoints the Chancellor as the executive head of the University.

## Board of Trustees

**Seated:** Leon Lowrey, E. R. Izard, W. D. Guest, T. D. Riddell, Mrs. Nan Sibley, Dr. Verner S. Holmes, President; S. R. Evans, J. N. Lipscomb, Dr. M. M. Roberts, I. L. Morgan, Paul Haynes. **Standing:** T. N.

Turner, George Yarbrough, W. O. Stone, Dr. E. R. Jobe, Executive Secretary.

During the twenty years that Dr. John D. Williams has served Ole Miss as Chancellor, the University has expanded its services to the people of the state by enlarging its research facilities and functions, by extensively developing its program of graduate studies, by promoting and strengthening its extension services, by increasing the Medical School curriculum to four years, and by initiating a degree program in nursing.

Chancellor Williams was recognized by the University of Kentucky as a Distinguished Alumnus this past year. The honor adds to his already impressive record of accomplishments, which include serving as President of the State Universities Association and holding membership in ODK; Phi Kappa Phi; and Kappa Delta Pi and Phi Delta Kappa.

## College of Liberal

Students work together toward understanding.

The College of Liberal Arts, founded in 1848, presents a broad and comprehensive course of study in the humanities and in the physical, biological, and social sciences.

By meeting certain requirements assigned for each major course of study, the Liberal Arts student can earn a Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music, or Bachelor of Science degree.

In establishing the curriculum for the Bachelor of Arts degree, the faculty of the College of Liberal Arts has divided the course of study into two divisions: the Upper Division and the Lower Division. Fundamental courses comprise the Lower Division; in the Upper Division, the curriculum is more specialized and more advanced in character. The Liberal Arts student who has advanced to the Upper Division may choose the area of his major concentration from the courses offered in literature, languages, social sciences, and natural sciences.

A student working toward a Bachelor of Fine Arts degree is offered a choice of majors in design, painting, ceramics, sculpture, or graphics. Offered as areas in

which one may concentrate to earn a Bachelor of Music degree are instrumental music, voice, theory, composition, and music education.

The curriculum for the Bachelor of Science degree offers a great deal of concentration in fields of pre-professional specialization. Majors are offered in home economics, in the sciences of biology, chemistry, mathematics, or physics, and in the areas of medicine, dentistry, and medical technology.

Since September of 1952, the College of Liberal Arts has been engaged in a systematic development program designed to enrich the College's facilities for providing an outstanding liberal education. The College is attempting to carry out this development program by adding to the faculty new and outstanding educators who are scholars in fields not previously represented; by bringing to the campus distinguished visiting professors and artists who stimulate academic interest; by increasing library holdings; and by improving the College's laboratory and instructional equipment.

## School of Law

an interesting lecture.

A rekknown law professor delivers . . .

Established in 1854 by an act of the state legislature, the University's School of Law is the fourth oldest state-owned law school in the nation.

In 1857 by legislative act, a diploma from the School of Law conferring the LL.B. degree was declared sufficient to entitle the holder to a license to practice law in any court of the state, without further examination. This act, virtually unchanged, is in force at the present.

The School of Law was closed during the War Between the States. The Honorable L. Q. C. Lamar reorganized the Department of Law in 1867 and remained as head of the department until 1870. The present law building was named in his memory.

The three-year program of study of the School of Law offers a thorough examination of the principles of jurisprudence together with the actual practice of legal procedures. Moot Court hearings provide training for the conduct of actual cases, and The Mississippi Law Journal is published four times each year by the Mississippi State Bar and the Law School.

The School is accredited by the Association of American Law Schools and the American Bar Association.

Students learn to think on their feet.

The law library enhances opportunity for research and study.

## School of Engineering

Founded in 1900, the School of Engineering offers theoretical and practical training in chemical, civil, electrical, geological, and mechanical engineering.

Courses in civil engineering have been taught at the University since 1854, when a department of engineering was established by the Board of Trustees; the actual founding of the School in 1900 credited the University as having established the first school of engineering in the state.

Carrier Hall, which houses the School today, is provided with modern facilities for instruction, research, and experimentation in the engineering sciences. Air-conditioned classrooms, sound-insulated drafting rooms, and well-equipped laboratories make the engineering school one of the most progressive centers of instruction in the University.

The School provides additional facilities for research and experimentation. The Engineering Experiment Station cooperates with industrial organizations in the state in the investigation and solution of technical problems. The Mississippi Research and Computer Center, located in Carrier Hall, is operated by the School of Engineering and is available to agencies within the state for investigation in the field of electronic data processing.

The School is a member of the Engineering College Administrative Council, the Engineering College Research Council, and the Mississippi Manufacturers Association.

## School of Education

Prospective teachers are provided with pre-service and in-service training by the School of Education. Professional courses offered at both the undergraduate and graduate levels are designed to prepare future teachers, supervisors, and administrators with skill and knowledge in the field of education. Improvement of education programs and facilities, and service in the cultural institutions of the state are other aims of the School of Education.

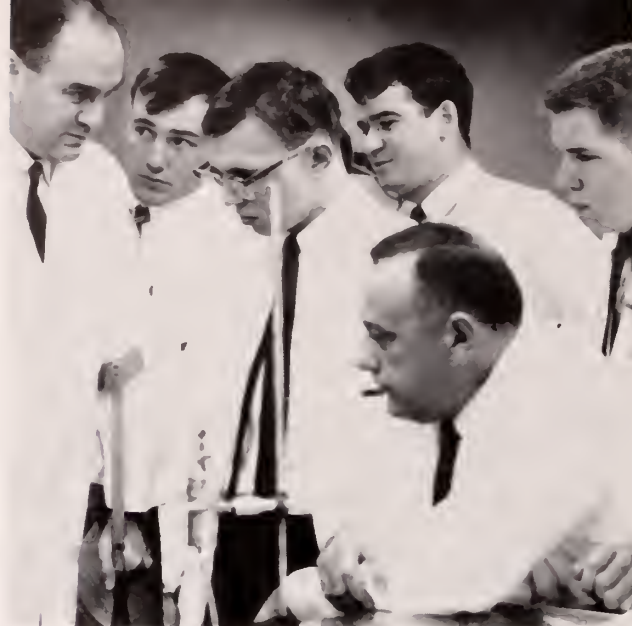

Graduates of the School are qualified for teacher's certificates in the state. For those interested in teaching in other states, adjustments in the required program may be made to fulfill the specific requirements of the particular state in which the student desires to work. The School of Education maintains a Department of Placement to inform students of teaching opportunities at all levels, the trends relating to salaries, and other information necessary for graduates seeking positions.

The School's program of preparation of elementary and secondary teachers, and school service personnel, as well as requirements for the doctorate degree in education, is approved by the National Council for Accreditation of Teacher Education. The School is also a member of the American Association of Colleges for Teacher Education.

## School of Medicine

The University Medical Center, located in Jackson, houses the University's School of Medicine.

A School of Medicine for the University was first created by an act of the Board of Trustees in 1903. The School was located on the campus in Oxford and offered the first two years of the four-year curriculum in medicine.

In 1950 the Mississippi State Legislature passed an act making an appropriation to establish at Jackson a four-year School of Medicine as a part of the University of Mississippi.

The University Medical Center was completed in the summer of 1955. The Center houses the University Hospital, the School of Medicine, and the School of Nursing. The personnel and equipment of the School at Oxford were moved to the new building in Jackson in time for the beginning of classes in September, 1955.

The School of Medicine offers the degree of Doctor of Medicine. It also provides instruction for the graduate degrees in the medical sciences, and training programs in medical technology, x-ray technology, and clinical radioisotope technology.

The four-year course of study of the School of Medicine is fully approved by the American Medical Association and the Association of American Medical Colleges.

## School of Pharmacy

Pharmaceutical arts demand a student's complete attention.

The School of Pharmacy, founded in 1908, provides special education and training necessary for the practice of pharmacy.

The five-year program of the School includes two years of pre-professional instruction and three years of specialized study. Graduates earn the degree of Bachelor of Science in Pharmacy and are qualified to assume positions as community, manufacturing, and hospital pharmacists, analysts of pharmaceutical and food products, and professional service representatives for manufacturers of pharmaceutical, chemical and medical products.

The School of Pharmacy established the Research Institute of Pharmaceutical Sciences in 1961. The Institute makes a comprehensive study of the state's pharmaceutical industry, conducts basic and applied research in the pharmaceutical sciences, and develops natural products of Mississippi for the pharmaceutical industry. The Institute works closely with other departments and Schools and with Mississippi industries.

The Bureau of Pharmaceutical Services at the School of Pharmacy serves the state by accumulating pharmaceutical information and disseminating it to pharmacists and other persons associated with the drug industry.

The School of Pharmacy is a member of the American Association of Colleges of Pharmacy and is accredited by the American Council on Pharmaceutical Education.

Students must keep pace with the fast-moving world of pharmacy.

## School of Business and Government

Business students prepare for an active part in the nation's economy.

The School of Business and Government recognizes the need for properly educated and trained persons to handle the complex problems of the business world of today, and seeks to meet this need by providing courses of study leading toward the degrees of Bachelor of Business Administration, Bachelor of Public Administration, Bachelor of Science in Commerce, and Bachelor of Science in Journalism.

Founded in 1917, the School is housed in Conner Hall, which provides modern facilities and technological equipment to offer educational and practical training in the business and governmental sciences. The School of Business and Government offers a course of study designed to teach students the basic knowledge they will need for an administrative career in business or government, and to commence the development of their proficiency in the application of such knowledge.

As complementary functions, the School undertakes research in appropriate areas and provides related services to the business and governmental sciences.

The School of Business and Government is a member of the American Association of Collegiate Schools of Business, which is the national accrediting agency in the field of business education.

# Graduate School

Graduate students possess inquisitiveness . . .

initiative, and . . .

perseverance.

The University's Graduate School was formally organized in 1927 to coordinate and administer graduate study and research at the University.

Courses were first offered at the graduate level in 1870 to applicants who had attained intellectual distinction. In the same year, a comprehensive examination as a requirement for the master's degree was established. A definite program of graduate study with a minimum residence requirement of one academic year was inaugurated in 1890.

The Graduate School offers the degrees of Master of Arts, Arts in Language Teaching, Education, Business Administration, Business Education, City Planning, Fine Arts, Library Science, Music, Science, Combined Sciences, Science in Nuclear Engineering, and Social Science. Doctorate degrees may be earned in philosophy, biology, business administration, chemistry, pharmacognosy, pharmacology, pharmacy, pharmacy administration, and physics.

The air-conditioned Library building, completed in 1951, was designed with special attention to the requirements of graduate study. Carrels for the individual use of graduate students, and seminar rooms for graduate classes are provided.

The Graduate School is a member of the Council of Graduate Schools of the United States and of the Conference of Deans of Southern Graduate Schools.

Graduate students plan to be successful.

They spend much time in research.

## The Last Word

I have planned this page from the beginning and protected it through the revisions in the book's layout for the purpose of stating anything that I feel should be included in this year's record. Editing the OLE MISS is a long task that takes one into every phase of campus life and every department of University Administration. To do a good job requires a staff that is loyal, dependable, and industrious; a student body that cooperates, and people who produce and accept nothing but the best. There are four people who fit into this last category, and I want to tell you about them.

One is Irving Lloyd. He grew up in the Bronx, played right halfback for Columbia University, spent thirteen months as a prisoner of war in Korea, and is now the leading authority on yearbook photography in the United States. He spent a week at Ole Miss in December taking pictures and working with our photographers. On learning we needed more pictures, he came back again in February, although he claimed he needed to pay Steve and Angelo \$4.00 he owed them. It's a good thing he didn't owe Kiamie; Kiamie would have gone after him. Seriously, Mr. Lloyd gave his best and did far more than was expected to help produce a better OLE MISS.

Bob Alexander of Grenada has been the official photographer for the Ole Miss beauties for almost ten

years. This year I asked Bob to take the entire section in color. I told him I wanted perfect color, and because of reproduction problems, there could be no retouching. He accepted the challenge and spent many hours of his own time in planning and taking these beautiful pictures.

A former Editor of the OLE MISS, Buddy Shaw is Vice President of Benson Printing Company, Inc. of Nashville, the firm that has printed the OLE MISS for over fifty years. Because he wanted to see Ole Miss put out a really good book, Buddy extended his patience and cooperation further than someone in his position should.

The only one of the four directly connected with the University is Tony Ross, Assistant Director of the Computer Center. For eight months Tony worked on a series of computer programs which not only compiled ninety per cent of the identification in this book, but were so versatile that any information that was needed by the staff could be obtained quickly and easily.

Of course, these four are not all those to whom I owe thanks. But these gave much of their time and used all of their ability; without their contribution, this yearbook would not have been possible.

The Editor

**Here's a new way of buying gasoline that's more than the cat's meow.**

Your engine will purr its very best, while you save money.

Now from one pump Lion Octane-Blended Gasoline comes in five different grades at five different prices. It gives you exactly the grade of gasoline that fits your car best . . . and can save up to 3¢ on every gallon you buy.

What, you may ask, is behind this new idea for buying gasoline?

Every resource of the giant Monsanto family . . . of which Lion Oil Company is a member. Research laboratories, oil fields here and abroad, huge refineries and chemical plants, plus more than 3500 Lion people.

Look to Lion . . . major producer of gasolines, lubricants, asphalts and more than 150 other petroleum products for the individual, for industry and agriculture. Lion Oil Company, Hydrocarbons and Polymers Division, Monsanto Company, El Dorado, Ark.

**Wait** until you're in a reminiscent mood . . .  
a few years from now. Then when you pick up  
your college yearbook to renew old memories,  
take a minute to read this ad. You'll find that then  
(as now) MP&L is ready and able to supply plenty  
of electricity for all your power needs. That's be-  
cause at MP&L we plan and build ahead.
